Vol. 16 No. 22 St. Albert & Sturgeon

Wednesday, June 4, 1975.

15¢

Stafford Blackman (Phil Upright) shakes a menacing finger at poor Gwendolyn Finefeathers (Shirley Martin) in a scene from the upcoming Rodeo Week presentation of "No, No a Million Times No." The cast of No, No, A Million Times No is responsible for those melodious sounds you hear coming from the Grandia Clubhouse these spring evenings. The members of the St. Albert-on-Sturgeon Players are busy preparing for their rodeo week curtain calls. Director, Tony Sware reports that rehearsals are going well and both cast and crew are eagerly looking forward to welcoming you to their performances on June 10 and 11. Tickets are available from the St. Albert SportsShop or from members of the cast.

Rodeo Week starts Sunday - lots of action planned

There will be lots of things to do and see on Sunday as the town gets into the festive mood of Rodeo Week on opening day, June 8.

Action gets underway at one o'clock at the swimming pool with the Interclub Swim competition. The St. Albert service clubs are grooming

their teams for the big relay race, and the Kinsmen will be out to prove that last year's first place finish was not all "luck."

Then it's off to Lions Park for the official opening of Rodeo Week by Mayor Richard Plain, followed by the canoe race on the Sturgeon River, scheduled for 2:15 to 3:15. The race is open to the public and the Kinsmen will again be entering two canoes, donated by Riverside Sales. Last year some added excitement was provided when one of the Kin canoes upset, spilling two fellows into the river, one of which was Neil Stewart, special events chairman for this year's Rodeo. There is an entry fee of \$5 a canoe with prizes and trophies for the winners. First place wins \$75., with \$25 for the runner-up. Entry forms may be picked up at St. Albert SportsShop.

CERN Television crews will be on hand at the Park and residents will be able to see the film with the 11 p.m. news broadcast Monday evening.

Crowning of the Rodeo Queen goes at 3:30 at the Park and the five delightful young ladies will be providing some entertainment at the bandshell. Other bandshell entertainment includes

Please turn to page 2.

Traffic problems aired by Council

The question and answer period at Monday night's council meeting drew attention to several concerns of the councillors. Traffic and parking problems were noted.

Coun. Rod Thronsdon noted that the parking at Grandin Shoppers Mall is chaotic and asked Mr. Byron, town administrator, what action the town could take to assist in overcoming the problem. Mr. Byron assured Coun. Thronsdon that information would be circulated with next week's agenda regarding the action which the town can take with this matter.

Coun. Thronsdon also asked for details regarding the completion of the extension of Sir Winston Churchill Avenue and Mr. Byron stated that the information requested would be circulated with the next agenda.

He further queried Mr. Byron regarding overcoming traffic problems at the bottleneck intersection at Sir Winston Churchill Avenue and Grandin Road and requested a report from staff as to what could be done to

eliminate the hazard. Mr. Byron explained that the corner had been examined and a decision to place four-way stop signs at the intersection had been made.

Mr. Byron felt that this action could prove to be a temporary answer to the problem and would be watched to assess its success. Please turn to page 2.

Theatre complex proposed on Shapiro site

St. Albert could have a two-theatre complex by the end of this year if arrangements can be completed with the Town.

Paramount Theatres have been investigating all possible sites and informed Mr. Sam Shapiro at the end of last week that they would prefer a two-acre site on his property, (west of the Klondike Drive-in restaurant), over any other location. They are prepared to begin construction as soon as possible and would like to finish the project this year.

They plan two theatres under one roof, one for 500 seats and one for 300, occupying a 10,000 square foot building. The larger theatre would feature mainly adult movies, while the smaller one would carry

family films, enabling parents to take their children. The bus loop and shelter would be a decided advantage as people could catch a bus anywhere in the theatre.

The theatres would generate employment for 25 or more people, including students, plus adding to the Town's commercial tax assessment. Commercial zoning would be required for the strip of property immediately west of the hotel and Imperial service station between Gate Avenue and Gervais Road. Mr. Shapiro has contacted the Town Planner and was told the proposal would require investigation by the General Plan consultant which would probably take until late July.

Parents of handicapped request support of District 6

A group of parents of retarded children who live in the community attended the board meeting of School District No. 6 on Wednesday, May 28 to make a presentation to the board.

Spokesman for the group, Mr. Whittle, made two specific requests to the board. He asked for board support to parents of trainable retarded children in seeking places in the new program being introduced by the Edmonton Public School Board. He also asked for financial assistance to cover any tuition and transportation costs.

According to Mr. Whittle, deficiencies exist in the program at the Winnifred Stewart School due to the lack of certified teachers and lack of specialist services. These are because the school cannot afford to pay salaries

to attract the necessary teachers and specialists and Mr. Whittle sees no hope of improvement in this area. He also said that "The philosophical position of the Association and the board of the Winnifred Stewart School seems, to a degree at least, to militate against the introduction of new procedures."

Quoting the School Act in support of his case, Mr. Whittle reminded the board of its responsibility to accept into its schools the children of eligible residents or, alternatively, to provide special education outside the district. In the long term he hoped to see special educational services provided by a local board or combination of boards. For the immediate future he felt that the Edmonton Public School Board offered the program best suited to the needs of

disadvantaged children.

Trustee Shirley McCaffery who had a recommendation dealing with handicapped children later that evening, asked Mr. Whittle if he represented all the parents from the area who presently send their children to Winnifred Stewart.

Mr. Dave Thomas, councillor for District No. 6, explained that he had been in contact with all of the parents concerned. He reported that half are very satisfied with the Winnifred Stewart School and half are not.

Chairman Bill Webber moved that the administration investigate the new program being started in the Edmonton Public School System and report their findings to the board which should include program, content, staffing and cost. The motion was carried.

NATIONAL SECRETARY of the Kinsmen Association Jim Nixon was the guest speaker at the regular meeting of the St. Albert Kinsmen Monday night. He told the Kinsmen not to be so modest about their achievements reminding them that great projects were being undertaken by Kinsmen on an international basis beyond the boundaries of St. Albert. Dave Stewart was elected Vice-Governor of District 4 at the Kinsmen Convention in Grande Prairie last weekend and in the 1976-77 year will become District Governor, the third member of the St. Albert Club to achieve this honour. Seen at left is Terry Moore, Kinsmen President, who was Dave's campaign manager.

Continued from page 1.

ess.
Coun. Lukay wondered if the stretch of Sir Winston Churchill Avenue between Perron Street and Grandin Road would be widened only when development would be taking place between the two streets (at the expense of the

developer). Mr. Byron noted that the matter could be kept in mind for next year's budgetary consideration.

Coun. Lukay asked about the current status of the new water supply line from the City of Edmonton. Mr. Byron informed him that there had

been two leaks discovered but this was not affecting the input to St. Albert. He noted that repairs would be commenced as soon as work was able to be done without disruption.

Coun. Smith asked about the current status of the

sewer facility, wondering when the new facility would be taking the town's discharge. Mr. Byron noted that about half of the town's discharge was being sent to the new facility and by the end of the week, the entire discharge of the town would be taken to the facility.

Coun. Smith suggested that an item be included on a future agenda regarding matters outstanding. She stated that a number of the matters raised and referred

to staff had been subsequently dealt with, but remained outstanding with the staff. She suggested that these outstanding matters could be examined and priorities listed with those matters which had been handled deleted.

Coun. Fyfe wondered if the Department of Health and Social Development had pursued the proposal of locating offices in St. Albert. Mr. Byron noted that he was expecting to hear from them

any day and would pursue the matter with them when he was contacted by them.

Coun. Lukay noted that he had been canoeing on the Sturgeon River on the weekend and had noticed that the river had bits of garbage, concrete, and old junk which reached up to the surface of the river. He said that the danger of this debris could be cleaned up at low water time in the fall by the town. No motion was made regarding this.

Town buying new equipment

Council voted in favour of accepting tenders on specific pieces of equipment at the meeting on Monday, June 2, which totalled \$96,691.84.

The bids accepted and the equipment approved for purchase included a tilt trailer (Trans-X Manufacturing Ltd.) at a cost of \$985.00, a three cubic yard wheeled loader (Pardee Equipment Ltd.) at a cost of \$48,265, two rubber tired tractors (Dominion Tractor Town) at a cost of \$19,000 and a rubber tired backhoe/loader (Pardee Equipment Ltd.) at a cost of \$25,441.84.

Supplementary tenders for other equipment were also voted upon but specific details were not clarified at

the meeting. The other pieces of equipment included a stationwagon, ¼ ton utility box, two half ton

trucks, a 38,000 G.V.W. truck with flusher and one-way speed plow, and a sand spreader.

rodeo week

Continued from page 1.

The White Earth River band from one o'clock until two, the St. Albert School of Dancing, 3:45 - 4:15, the Morinville Frontier Dollies are next, followed by the Sherwood Park Dadd's Majorettes. Be sure to drop in at the Arts and Crafts Fair at the Senior Citizens Rec. Centre where the Guild will have displays and some articles for sale.

A service clubs Tag-of-War, and performances by Moosey the Magic Clown will add to the fun at Lions Park Sunday afternoon, which will conclude with a family picnic at 6 p.m.

LIVE MELODRAMA

"No, No, a Thousand Times No," will be a great addition to Rodeo Week activities this year. Presented by St. Albert-on-Sturgeon Playgroup by Bud Tombs - Area Director Tony Sware, this hilarious old fashioned melodrama will play two evenings at the Clubhouse: Tuesday, June 10 and Wednesday, June 11 at 8 o'clock each night. Get your tickets at St. Albert Sportsshop.

SPORT ACTIVITIES

Monday through Saturday sports fans can have their choice each evening. The Little League Baseball finals and the Girl's Softball finals

will be played. Lacrosse league games are scheduled in the arena and Senior soccer games have been arranged.

Thursday and Friday night will see large crowds converging on the arena for the beer fests with The Patch, and by the Western Breakfast time Saturday morning at 7:30 Rodeo Fever will spread all over town. The Lions Club and Grandin Merchants will be serving up free flapjacks and sausages at the park and no one need go hungry to the Big Parade which starts at 10 a.m.

Form up area will be along Gate Avenue as in former years, but the starting point has been changed to the corner of Granite Avenue and Grosvenor Boulevard.

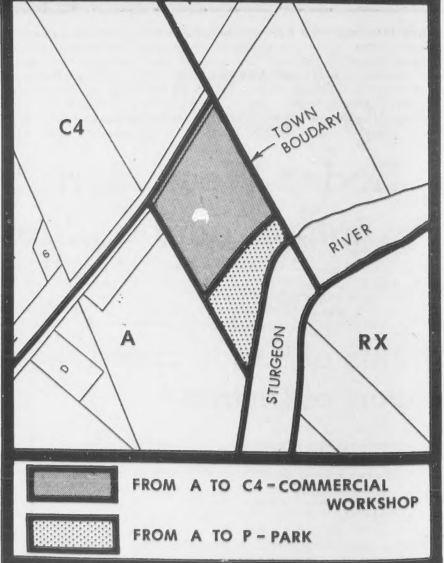

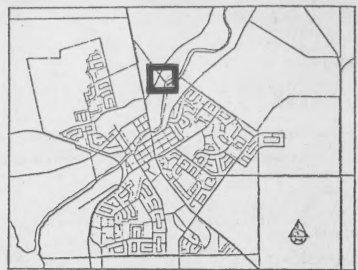

This will reduce the route by 4 of a mile and make the going a little easier for the younger participants.

Down at the corrals tension will be mounting among the cowboys - the real stars of the week - and we have some great ones coming. Reg Kessler will have the broncos to test their mettle and there is nothing quite like the drama and excitement of watching those riders and horses perform in the ring, when any second could bring a bone wrenching spill or a record-setting win!

Enjoy, Enjoy - Rodeo Week.

Town of St. Albert Notice of Public Hearing

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 16/75 being a bylaw to rezone that portion of River Lot 30 lying between Bellerose Drive and the Sturgeon River as shown on the attached map from Agricultural [A] to Commercial Workshop [C4] and Park [P].

FROM A TO C4 - COMMERCIAL WORKSHOP

FROM A TO P - PARK

The proposed Bylaw No. 16/75 may be examined between the hours of 9 a.m. to 4:30 p.m. weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, June 16, 1975 at 7:45 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, June 13, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron,
Municipal Secretary.

Town of St. Albert

Applications are invited for the following positions in programs made possible by financial assistance from the Provincial Government.

SUMMER TEMPORARY EMPLOYMENT PROGRAM - 1975

1. Special Programs Co-ordinator to be responsible for the development of recreation programs for senior citizens and the mentally retarded. (June - August: \$606.00 per month).
2. Two playground leaders to be involved in developing an integrated playground program for mentally retarded children. (June 23 - August: \$2.75 per hour).
3. Three attendants for the museum to provide information to visitors and to maintain the building and its contents. (June - August: \$2.75 per hour).
4. Three attendants for a tourist information booth. (June - August: \$2.75 per hour).
5. One groundskeeper for Lions Park - hand maintenance. (June - August: \$2.75 per hour).

YOUTH EMPLOYMENT SERVICE

An office manager is required for a Youth Employment Service which will be established to provide the youth of St. Albert with opportunities for summer employment. (June 9 - August 15: \$526 per month).

Positions are open to university and high school students and applications should be directed to:

THE DIRECTOR OF PERSONNEL
TOWN OF ST. ALBERT
CHURCHILL AND GRANDIN
ST. ALBERT, ALBERTA. T8N 0G2.

Madame Florence Lefebvre and the kids from the Bilingual Kindergarten were demonstrating the interesting things they do in their classes last Thursday. The youngsters seemed to enjoy the songs and games - all in French too.

Rodeo Parade looks better than ever

Parade Chairman Kin Tom Sentes is happy with this year's entries for the Rodeo Parade including such special entries as the Sheriff's Posse and Stagecoach from Edmonton, the Mounted Edmonton Klondike Riders who feature square dancing on horseback, Antique Car Club, who are supplying transport for Parade Marshall Ernie Jamison, MLA, Citizen of the Year Henry Terraault and other dignitaries. The CHQT Eskimo Fire Truck and Q-Teens Fan Club, Klondike Mike and at least 16 musical entries. Bands include a number of well-known top notch bands such as the Edmonton Strutters, the All Girls Drum and Bugle, the Hobbema All Indian Marching Band, the Klondike Drum and Bugle, the City Police Pipe Band and others. Band and musical entries have now been closed off.

The Klondike Riders have put together a whole new program this year and they will also be performing both days at intermission time during the Rodeo events at the grounds.

Floats are coming in from many quarters and while entries are still being taken, the parade will soon be full Tom reports.

The parade chairman really needs the co-operation of residents on the parade route in removing cars from the street on the morning of the parade. A map of the route is

carried in this issue showing the special areas where vehicle-free streets are a necessity. People are really good about this said Mr. Sentes, but we start very early in the morning (around 5 a.m.) to get everything in readiness and sometimes they forget to get their cars into driveways or garages the night before. This is Tom's second year as parade chairman and he recalls waking some households last year at 6 a.m.

Townpeople are also asked to take note of a slight change in the route this year - it will start at the corner of Grosvenor and Granite. Decorated bike entries are reminded that they should go to Simpson School at 9 a.m.,

for judging, prior to heading for the form-up area. Parents are asked to be responsible for their children at the end of the route on Mission Avenue beside Father Jan School.

At 12 noon that day there will be a Field Show in the arena which will be well worth seeing - something different this year. Four major marching bands will perform, along with Morinville's Frontier Dollies - popular singing kick-line. So gather up the family after the parade and be sure to catch the Field Show!

By this time everybody will be hungry - but that's easy. Take them all down to the Kinettes Rainmaker Booth at the Rodeo Grounds.

Council divided on garbage poll

Mayor Richard Plain and Coun. Barry Breadner were not in attendance at the council meeting on Monday. Both are attending the annual meeting of the Canadian Federation of Mayors and Municipalities in London, Ontario. In the absence of the mayor, Coun. Gary Wetsch (deputy mayor for June and July) chaired the meeting which ended in record time at 9 p.m.

The recommendations from last week's committee of the whole meeting were ratified without discussion with the exception of the recommendation that the following question be placed on the census: "Council recently decided to have all garbage for pickup placed at the curb to reduce costs. The total savings to the town are \$80,435 per annum. Pickup back on your property would be at an added cost of \$14.08 per household per year. Do you suggest retention of the present service where garbage is picked up at the curb? Yes or No."

Coun. Frank Lukay stated he could not support the motion for two reasons: firstly because 1/3 of the town's households were utilizing the previous system of garbage collection when it was offered, and secondly, picking up garbage from the yard was an inefficient and costly procedure. He noted that the change in procedure was prompted by a recommendation of staff in the interests of saving money and increasing efficiency. Coun. Lukay also felt that the question was inappropriate at this time in light of the other important questions being asked during the census, and also because of the short time in which the system has been in operation. He felt that the question could be asked in a year or a year and a half when the public has had more time to evaluate the system.

"What really shocks me," Coun. Lukay noted, "is that it has been estimated that the cost of this extra service is about 27¢ per pickup.

Surely the persons who find it inconvenient or aren't able to carry the garbage out to the curb could find some enterprising youngster from the household or the neighborhood who would be willing to do this at 25¢ a pickup."

Coun. Thronsdon stated that he thought it was important to have the question asked. He noted that there was nothing binding about the opinion poll. "What I am really wanting," he said, "is for the people of St. Albert to give some opinion on it when the census is taken."

Coun. Effe also felt that the question was important and noted that her intention in making the original motion was to get an expression of opinion without having a great deal of added costs. She was aware of the inconvenience and added time involved in training census takers, and the evaluation of the results, but hoped that council would gain a broader base of understanding of the wishes of the ratepayers.

Coun. Wetsch stated that he would not support the motion because the decision to standardize the service for the residents of the town was based on a desire for budgetary saving. He wondered if the persons being asked the question would realize the significance of the reasoning behind the decision. He would prefer to have the system analyzed after two or three years.

The recommendation carried 3 to 2, Coun. Lukay and Wetsch voted against.

Other recommendations from the committee of the whole included: That the application of Bonel Properties Ltd., to purchase from the Town Lots 17 and 18, Block 5, Plan G, not be proceeded with until results of the downtown study are before council. The motion carried 4 to 0 (Coun. Effe was not present at the time the vote was taken). The property referred to is the lot across from the arena on Perron Street. Bonel pro-

Councillor Thronsdon opposes curbside garbage pickup.

posed office buildings for the site.

Council voted 5 to 0 in favour of the recommendation that they accept the terms of reference of the Department of the Environment on a Regional Sewage Study, and to include within the study area, regions within the MD of Sturgeon which may require sewer services in the future, and that the study be proceeded with as soon as possible.

Council voted 5 to 0 in favour of the recommendation that they approve of the subdivision of Lots 55 and 56, Block 21, Plan 1727 T.R. subject to the application being executed by Plan of Survey including Lots 54 and 55-56. The property is located on Fairview, between Fairfax and Fairchild.

Council voted 5 to 0 in favour of the recommendation that council encourage the Social Service Board to

offer resolutions to the provincial government in updating their day care standards for the province as a whole.

Council also voted 5 to 0 in favour of the Social Service Board being asked to set out standards for Day Care and bring these back to council along with the Calgary and Edmonton standards for perusal.

Council voted 5 to 0 in favour of the recommendation that an ad hoc committee be struck to look at all aspects of Highway 2 with an emphasis toward safety. The ad hoc committee membership will include RCMP, Safety Council and other representatives from the community.

Coun. Thronsdon, council designate to the Safety Council noted that he had already phoned persons to participate in the ad hoc committee and they would be meeting later this week.

Three items of correspondence were dealt with at the council meeting on Monday, June 2. Mayor Richard Plain and Coun. Barry Breadner were not in attendance at the meeting which concluded at 9 p.m., a full hour earlier than the shortest meeting previously held by this council.

The terms of reference for a water supply study were included in a letter from Stanley Associates and Mr. N. Nuttall was present to discuss them.

According to the report, the department of the environment have indicated that a sum of up to \$15,000 would be available for funding the study and "if the final report is unfavourable (regarding the town constructing its own water treatment facility) or the recommendations not acted upon, the entire sum would be considered as a grant to the town." However if the report is favourable and the town proceeds with an alternate source, then the study costs would have to be borne by the Town.

Coun. Smith wondered who would be the judge of whether the report was favourable or unfavourable and was told by Mr. Nuttall that economic factors would dictate viability. He said that the matter would be decided if the town should go ahead with the construction of a water treatment facility.

Coun. Smith was also concerned that the requirements of the town were crucial to the study. She noted that the regional effects were important also and wondered if the town should finance the study so that the regional implications would also be present. Mr. Nuttall noted that the study would determine likely markets for water within it and would discuss the incremental costs of these markets.

Coun. Lukay moved that the council approve the terms of reference of the water study and the motion carried 5 to 0.

A letter from the Environmental Conservation Authority regarding the environmental effects of residential development in the Leduc/International Airport area was received, noting that the authority had been instructed by Ministerial Order to enquire into and hold public hearings on the matter. The letter included an invitation

to participate and the contribution of a brief to assist the authority in its task of developing meaningful and appropriate recommendations to the minister.

Coun. Lukay felt that he would like to see a brief presented by the Town of St. Albert and stated that there were serious implications to be considered in terms of the effect of such development on the use of the airport. Coun. Lukay also noted that no studies have been conducted on the matter and it would be worth consideration at the next committee of the whole meeting.

Coun. Lukay moved that the matter be referred to the next committee meeting. The motion carried 3 to 2, Coun. Effe and Thronsdon were opposed.

A letter from the St. Albert Condominium Taxation Committee was received which inquired regarding town plans for reform in taxation and provision of services to condominiums. Mr. R. L. Byron, town administrator, noted that taxation of condominiums was not under municipal legislation and was dealt with at the provincial level through the Condominium Act.

He said the matter would be the subject of a report requested by council, not yet completed. Mr. Byron said that he had contacted the various executives representing the condominiums in the past. Coun. Effe felt it would be desirable to have the representatives of the condominium associations present when the report is circulated to council.

Coun. Lukay felt that there was a need for clarification of the points raised in the letter regarding disparity between detached dwellings and condominiums in terms of services (street cleaning, snow removal, street lighting, and other services are not provided). Coun. Lukay pointed out that the condominium areas are regarded as private property and a change in the Condominium Act would be necessary to alter this status. He felt that the problem was more than the town alone could solve.

Coun. Smith moved that the persons concerned be contacted to notify them that the matter would be under discussion at the committee of the whole meeting when the report dealing with it is completed. The motion carried 3 to 0.

Town approves terms for water study

Town of St. Albert NOTICE TO ALL RESIDENTS

The municipal census shall be taken between April 1st and June 30th of each year. Population figures are important in the calculation of various forms of municipal assistance.

To comply with the Legislation, the Town will be conducting a census June 9th - 20th, 1975.

Your co-operation is appreciated.

TOO BAD if you're a tree. This tree digger was caught just before it went into action on a site near St. Anne Street not far from the Gazette office last week.

Board approves \$12,000 for TV Arts-instruments

Trustees of St. Albert School District No. 3 approved on May 26th the expenditure of approximately \$6,000 during the current budget year for equipment required for the T.V. Arts Program at St. Albert High School. A further \$5,000 will be expended on T.V. Arts equipment during the following year.

The request for the equipment had been made at an earlier board meeting by Mr. Ross Johnson, principal of St. Albert High. At that time, the board had referred the matter to the finance committee.

Trustee Peter Freeman, member of the finance committee, explained to his fellow trustees that the committee had discussed the items, reviewed the budget and had decided that funds could be made available. He

considered, however, that the board as a whole should make the decision whether or not to have the program.

Trustee Ernie Howrish expressed concern that such items were presented to the board after a budget had been established. This aspect had also been covered at the earlier meeting at which time the board had set May 16th as a final date to receive submissions for items not included in the budget.

Trustee Freeman moved that the board approve the expenditure for the T.V. Arts Program and the motion was

carried.

The board also approved a motion to purchase musical instruments for district schools at a cost of \$6,000.

REPORTS FROM TRUSTEES

Trustee Elsie Lockert reported that she had recently attended an ASTA Zone meeting at which there had been a panel discussion on discipline. She said that the panel comprised a teacher, a student and a parent and that the general attitude appeared to favour a middle of the

road approach to discipline.

CONCERNS REPORTED ON HUSBAND-WIFE TEAMS

Trustee Sylvia Walsh reported for the policy committee. She informed the board that some concerns had been made known to her in connection with husband and wife teacher teams working within the system. Mrs. Walsh hoped that the board would set a clear policy in this regard to avoid any possibility of injustice or unfairness arising. Chairman Steve Sieben suggested that the policy committee study this matter further and make a recommendation to the board.

Trustee Walsh also reported that she had attended the graduation exercise for St. Albert High and that the exercise went over extremely well. She felt that praise was due to the graduating committee and staff at the school.

EDUCATIONAL CRUISE APPROVED IN PRINCIPLE

Mr. Ross Johnson, principal of St. Albert High was in attendance to report to the board on the proposed New World Education Cruise. The proposal had been made by the high school for board approval to participate on the cruise at the previous meeting and Mr. Johnson had been requested to provide further information.

Mr. Johnson reported that the company organizing the cruise is reputable and he had contacted several educators who had participated in similar cruises and they spoke favourably of them.

He said that one teacher for every 15 students would be required and that any teacher absences could be covered by internal substitutes. Mr. Johnson informed the board that the cost would be around \$700 per person.

The trustees had some concern as to the board's liability on the cruise and Mr. Johnson informed them that a representative from the P & O Steam Navigation Co., would be at the high school on Tuesday evening and he would cover this area.

The board agreed in principle to continue preparations for the trip and Mr. Johnson will be given a formal acceptance or rejection at the first meeting in September.

Subsequent to the meet-

ing, the following information was available. The cruise on the P & O Liner S.S. Uganda will start on December 7 from the Greek port of Piraeus, near Athens. The P & O (Peninsular and Oriental) Steam Navigation Co., is a well-established British Shipping line. Students from St. Albert would fly by charter aircraft to Athens and then on to board the 17,000 ton liner. Ports of call include Alexandria, Port Said, Cairo, Haifa, Beirut, and the island of Santorini in the Aegean Sea. The whole trip will take two weeks.

The group organizing the trip have very adequate insurance liability and they undertake to repatriate a student if the need arises. This would include repatriation if a family member became seriously ill.

The educational instruction on board would be flexible and would consist of "on-sight" as well as regular curriculum.

LACOMBE PARK SCHOOL SITE

In connection with the School Sites Committee, Trustee Walsh informed the board that the committee had met with representatives of the Town of St. Albert and BACM. She said that the school site in the Lacombe Park area known as Stage 9 was discussed and she proceeded to read a letter of intent from BACM regarding an arrangement made at the

joint meeting.

The School District will pay \$130 per front foot for servicing on a frontage measuring 400 feet for a total of \$52,000. The payment to BACM will become due in early 1976. Chairman Steve Sieben added that the district will purchase the land for \$1 and when the school buildings become redundant, the Town will purchase the buildings and services at the appraised value at that time.

Trustee Lockert moved that the board agree to the purchase price and service costs and the motion was carried.

Arts & Crafts Fair

The Arts and Crafts Guild's Spring Fair will be held next Sunday afternoon

in conjunction with the Kinsmen Rodeo. Highlighting the fair -- to be held in the Senior Citizens new Recreation Centre -- will be craft demonstrations by members of the Guild. Demonstrations in such areas as weaving, pottery, spinning, floral arranging, leather tooling and macramé. The Fair will run from 2-5 p.m., in addition to craft demonstrations there will be some sale items.

Rodeo Bike Contest

St. Albert Kinettes are sponsoring a Bike Decorating Contest in the Rodeo Parade. Boys and girls wishing to take part are to be at St. George Simpson School, Saturday, June 14 at 9 a.m., where judging will take place.

There are three categories: Best Western, Most Comical and Most Original. There will be a \$5 prize for the best entry in each category.

Kinettes will be present to take care of details but parents are requested to pick up the children at the end of the parade route.

Rea Bogaert demonstrates spinning, one of the many crafts that will be represented at the Arts and Crafts Guild's Spring Fair this Sunday, at the Seniors Recreation Centre by the Legion Hall.

St. Albert Kinsmen host national secretary

The St. Albert Kinsmen had a distinguished guest at their regular meeting in the St. Albert Inn Monday night. National Secretary of the Association of Kinsmen Clubs

ubs in Canada Jim Nixon gave a few words of encouragement for the St. Albert Club reminding them that they should be concerned about their achievements the

world over and not just in the local community.

He pointed out that in the last year \$15 million had been raised across Canada in Kinsmen projects, singling

out a research centre at York University in participation with Canadian Mental Health.

He said that whenever Kinsmen have gone to world councils they have been amazed at the fund raising abilities that Kinsmen demonstrate.

He also said that "in our communities projects get done quickly and efficiently," and "nine-tenths of the projects are not done by the municipality or the government."

"We should be entitled to the accolades going with these projects," he said.

He congratulated Kinsmen Dave Stewart on his election as zone vice-governor at last week's convention in Grande Prairie.

Banners were traded between Kinsmen at the meeting; Mr. Nixon gave banners to Mr. Stewart as a souvenir of his visit and also to Deputy District Governor from Spr-

uce Grove Lorne Pettifor. President of the St. Albert Kinsmen Terry Moore gave a banner to Mr. Nixon as a memento of his visit to the West.

Also top on the awards list was past president of the local club Barry Walsh who

received banners for international relations, a blood blitz and booke efficiency.

The St. Albert Club was congratulated by Mr. Pettifor for its turn-out at the Grande Prairie Convention where it received the James Lovick Award for public speaking.

Bishop Grandin died in June, 1902

By Florence Lefebvre

Sixty-three years ago, a saintly man died in our midst. He passed away in the Bishop's Palace on the Hill which will soon be turned into a Museum.

A poor sickly boy, his career included that of a

shepherd but the growing young man who desperately wanted to become a missionary eventually became a Bishop. His slight speech impediment caused him to be rejected from other religious orders, but the Oblates of Immaculate Mary gave him the opportunity of realizing his dream.

He did not seek to become a Bishop, but the lack of missionaries between St. Boniface, Manitoba and the Pacific Coast was so great and the guidance his post offered was in such need that he could not refuse. His trips by dog sled and snow racks

up to Fort Good Hope in the Northwest Territories are legendary, and are typical of this man of God. His heroics in serving everyone he met and his love of the Indian people are a matter of record, as is his extreme poverty.

St. Albert is a beautiful and fortunate town, and through Msgr. Vital Grandin, residents share in the legacy of an exemplary man who actually had everyone's best interest at heart, whatever their race, colour or creed, who assured us that he would be with us even after death.

REGULAR EVENTS

Ladies who would like to sing four part harmony - Barbershop style, are invited to join the Gateway Chapter of Sweet Adelines Inc. every Tuesday evening at 7:45 p.m. at Augustana Lutheran Church, 9901 - 107 Street, Edmonton. Further information may be obtained by phoning 459-8656 or 459-7496.

MONDAY - 7:45 p.m. Camp Lacombe Bingo in Parish Hall.

TUESDAYS - Sturgeon Valley Ladies Golf Club - Tee time 9 a.m., Business girls - 6 p.m. For further information call Shirley Fisher, 459-8317 or Flora Barry, 459-8549.

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

THURSDAY - MOTHER'S DAY OUT CANCELLED TILL SEPTEMBER.

WI members hear new BBQ ideas

At the Women's Institute meeting of May 27, it was reported that the St. Albert WI won the handicraft cup at the Constituency Conference held at Fort Saskatchewan on May 17. Their poster on nutrition also won first prize. These items will go on to Olds to the Provincial Conference.

The Community Hall grounds were dug and replanted with flowers which were donated by Mrs. Lois Hole.

The draw for the quilt that is being raffled will be held at the Senior Citizen's Recreation Centre on June 14 after the parade.

The roll call for our meeting was to bring good useable bathing suits or caps for the Mental Health camps.

Mrs. Barbara Kuchmak from Calgary Power gave a demonstration on barbecue tips. Unfortunately the wea-

ther was a little cool to actually do any barbecuing, but she showed how to prepare the food. She showed an electric barbecue and how to operate it. Some of the suggestions were: garlic cloves put on the coals give a pleasant aroma, orange or lemon peel on coals when cooking pork or ham gives a subtle flavour, cheaper meats can be used by first marinating, make sure meat is thawed out and removed from the fridge about one hour before using, use flavoured butters brushed on at serving time.

She showed how you can take Pillsbury buttermilk biscuits, roll out between hands until they are about six inches long then wrap them around a skewer and cook, either in the oven or in barbecue. When they are done brush them with garlic butter and dust with parme-

san cheese.

One idea for potatoes is to take fairly large potatoes and thoroughly scrub. Leave skins on and parboil until just fork tender. Slice on an angle about one-half inch thick. Marinade in about 1/2 cup of Italian Dressing for about one hour, then grill on barbecue for 8-10 min. A dessert can be made by slicing a lid off a fresh pineapple lengthwise and scooping out the pulp. Cut the pulp up and add two tablespoons of brown sugar and 1 1/2 tablespoons of rum and some butter. Put lid back on and wrap with heavy aluminum foil. Place on grill of barbecue and cook for about 40 minutes. Remove and add 1 1/2 more tablespoons of rum. Serve hot. One good sized pineapple will make three good servings.

She gave many more ideas that could be used for wieners and making shish-kabobs. Most important she said not to be afraid to try different things on your own as there is no end to the variety of things you can create.

The three pretty (milk) maids are part of the cast of the St. Albert-on-Sturgeon Players' latest production (and rodeo extravaganza) 'No, No, A Million Times No!' From left to right are Carlee Adams, Kim Martin, and Janice Scammell. The melodrama will be performed during Rodeo Week on Tuesday, June 10 and Wednesday, June 11, at the Grandin Clubhouse.

Interesting results from MP's questionnaire

With much labour unrest in Canada at the present time it is interesting to note the results of a questionnaire from the office of Wetaskiwin MP Stan Schellenberger.

In answer to one question, do you believe that strikes and lockouts should be abolished for employees and employers in essential services, the answer was a resounding yes. Eighty-one per cent voted yes with only 10.4 per cent no. Top of the bill on essential services were postal workers with educational workers coming last on the seven point list. Air traffic controllers, shippers, workers involved in rail operations, as well as medical staff, including ambulance workers were also top in the essential services category.

The questionnaire covered 10 main areas on matters which are expected to surface in House of Commons debates in the near future.

Following are the highlights of answers to specific questions on the questionnaire.

Seventy per cent of those asked thought that temporary work permits should continue to help out farm labour shortages. Eighty-six per cent of those asked thought that the policy of giving preferential treatment to French speaking immigrants was wrong.

A smaller majority thought it wrong that relatives or friends be given preference over independent or skilled immigrants. A larger majority thought that immigration to Canada should be handled on a regional basis. This was so because unemployment and skilled labour requirements are often regional in Canada.

On the problem of intake of more immigrants from Third World countries following were the five most favoured suggestions in priority order.

•Definitely no more immigrants at the present time as Canada already has enough unemployment and welfare.

•Carefully controlled, screened immigration depending upon job availability and the rate of unemployment in Canada.

•A limited amount of immigrants based on an annual quota system.

•Only skilled immigrants should be admitted to Canada.

•Immigrants from the Third World countries should be treated in the same way as those from other countries.

On the question of direct federal aid to the 1976 Olympics in Montreal 54 per cent were against, 33.7 for and 10.9 per cent unsure.

Also, from figures in the questionnaire a very small number favoured a relaxation in the laws relating to simple possession of marijuana or hashish. Specifically this meant support of the abolition of jail sentences in

favour of the imposition of fines for those in possession of drugs.

In other areas of interest, there was strong support in the questionnaire for compulsory registration of all firearms, including rifles and shot guns.

A few supported the Government stand over the abolition of special tax provisions for business advertising in Time Canada,

but almost the same number wanted special tax provisions for Readers Digest.

And of special interest for the farming community, many farmers showed they were in favour of stabilized prices for farm products and also favoured crop insurance that would guarantee a minimum income. However almost an equal number of farmers were unsure about the whole issue.

THE HAKAMU CAME. A small but informal singing session was held by the Christian singing group at the Braeside Presbyterian Church Monday night to the delight of some young St. Albert residents. The Hakamu, which is Hebrew for "Be Wise," were also singing at the Paul Kane School Monday and will wind up their tour at the Anglican Cathedral in Edmonton, June 8th.

Students working with handicapped kids

The Saturday recreation program for mentally handicapped children being conducted by the Gateway Association for the Mentally Handicapped is a success for all concerned, reports Mrs. Lucille MacDonald, the coordinator for the program.

The program runs from 10 a.m., until 2:30 p.m., at the Grandin Clubhouse every Saturday and about 12 handicapped children participate. Volunteer assistance in the area of supervision has been supplied by local high school students.

Mrs. MacDonald reports she is quite impressed with the teens who have been contributing to the supervision of the program. She told the Gazette that students from Paul Kane are receiving credit for their contribution - three credits for 75 hours participation or five credits for 125 hours. Students from St. Albert High School are assisting on strictly a volunteer basis and are not receiving any credit toward their diploma.

According to Mrs. MacDonald, the volunteers are deployed to the parents who require their assistance as well as assisting on Saturday's at the Clubhouse. All the parents need to do is contact Mrs. MacDonald and she selects and contacts a volunteer. Twenty-one students from St. Albert High have volunteered along with 14 students from Paul Kane High.

A variety of games and toys have been donated by various individuals to the program. A hockey game and an assortment of educational toys were an immediate hit with the kids but any donations would be appreciated. Mrs. MacDonald reports that equipment is still in need.

Another activity which has been well received by the

children is access to the Grandin Park swimming pool provided by the Town of St. Albert Parks and Recreation Department. Each volunteer is responsible for one of the children in the pool and everyone has a lot of fun.

The program for handicapped children has proven very successful in St. Albert and will be continuing all summer.

District 6 returns to joint use - Cuts, McCaffery opposed

The Board of the St. Albert Protestant Separate School District No. 6 voted on Wednesday to rescind its earlier motion to withdraw from the Joint Use Agreement with the Town of St. Albert. The initial decision to withdraw from the agreement arose out of frustrations board trustees felt in their dealings with the town. Although the earlier motion had been passed, the effective date of withdrawal never

became a reality. In effect, the gesture which the board had earlier displayed toward the town was thereby reduced from a cold shoulder to something resembling a pout.

The change in policy came about because Trustee Don Munro crossed the floor to join Chairman Bill Webber and Trustee Murdo MacFarlane who had both opposed the earlier motion to withdraw. Chairman Web-

ber, while sympathetic to the viewpoint of his more rebellious colleagues who wished to break with the town, had urged moderation and he had hoped to see changes brought about while remaining within the agreement. Mr. Webber also considered that following board discussions with representatives from the town, there appeared a sincere desire on the part of the town to reach a workable agreement. Trustee Mac-

Farlane did not appear sympathetic to his colleagues viewpoint, and remained adamantly opposed to any pull-out from the agreement.

Mr. Munro's change in position was due to his feeling that there had been an indication of concern from the town and that the two council members involved appeared to have a genuine desire to make the revised Joint Use Agreement work. There is a clause in the new agreement allowing any party to opt out after one year to which Mr. Munro drew attention. This clause could pose a threat to the town in that another withdrawal might occur if the trustees experience further dissatisfaction in this matter.

Unrepentant and still favouring their unilateral declaration of independence are Trustees Shirley McCaffery and Dr. W. Cuts who maintain that the town has done nothing to warrant the rescinding of the motion to withdraw. Dr. Cuts told board members that they have until September 2nd to make a decision whether or not to continue in the Joint Use Program. He said that the program is still functioning. The town has promised verbally to maintain a different attitude toward the two school districts involved in the program, but Dr. Cuts was not satisfied that he had seen anything to demonstrate this. He felt that if the board rescinds the motion to withdraw it will have gained

nothing.

Mrs. McCaffery agreed with Dr. Cuts that the town had done nothing except to request the board not to leave the agreement. Nevertheless, both Mrs. McCaffery and Dr. Cuts accepted the decision to return to the fold graciously, while retaining doubts that it will work

out.

Motion to continue in the Joint Use Agreement was made and carried with Trustees McCaffery and Cuts opposed. Mr. D. Munro added a rider to the effect that the council should agree to the revised agreement by the next board meeting set for June 11th.

AROUND TOWN

Leon Lefebvre, son of Mr. and Mrs. R. Lefebvre of 14 Grandville Avenue, St. Albert, recently graduated with honours from Archbishop O'Leary High School of Edmonton. The celebrations took place at the Macdonald Hotel on May 23. Awards night last Wednesday took Leon by surprise when he received two, one for marks which placed him in the top 10, and another for participation in extra-curricular activities. Leon has enrolled at the University of Alberta where he will begin his two year pre-med studies in Science.

Shirley Louise Bokenfroh, a graduate of St. Albert High School is on the NAIT honours list in the Dental Assisting course. Congratulations Shirley.

The happy girl is Ranger Rose Marie Patten who just won a 10-speed bike as the best saleslady, topping all other candy sales at 1,300. The bike will receive a good workout as she keeps in shape for the British Cycling Tour, she will participate in, scheduled for three weeks from now. Rose Marie went to Speedway Park for a trial run on her new bike.

Joint services held for St. Albert students

Joint funeral services were conducted by the Reverend Len Musto for Yvonne Brostrom and Andrew Maltby before a large congregation of mourners including many of the deceased young people's friends and classmates, at Paul Kane School, Wednesday, May 28.

Andrew and Yvonne lost their lives in a car accident on St. Albert Trail at 12:30 a.m., May 25, while returning from their high school graduation dance at Edmonton, where they had just announced their engagement. Both were 18 years old.

During the service Mr. Musto read a poem which had been done as an illustrated English project by Yvonne and Mark on a class assignment from their teacher Mrs. Mitchell. Alan had narrated the poem, Yvonne

played the music which accompanied it and the resulting tape was used with a slide presentation for the completed project. The poem was about life and death.

The teachers who had sung at the graduation exercises sang a hymn.

Palbearers for Yvonne were Craig Baker, Douglas Geres, Jack Bendera, Derrick Gouchey, Terrance Martens and Stephen Hubert. Honourary palbearers were Peter Uppiger and James Smith. Palbearers for Andrew were Mark Ratchinsky, Gregory Thibert, Ross Duncan, James Fraser, Norman Hill and Allan Musto. Honourary palbearers were John MacMaster and Brian Benton.

Interment was in Holy Cross Cemetery and following the services luncheon

was served by the students under the direction of Mrs. Joan Gaetz.

Yvonne is survived by her parents, Eric and Marion and brothers Ron and Ann, all at home, and by her maternal grandmother Mrs. Katherine Kiszanyina at home and Mrs. Lily Morrison, paternal grandmother in Calgary.

Andrew is survived by his parents, Ron and Ann, brothers Steven and Graeme, and sisters Joanne and Suzanne, all at home, and his grandmothers, Mrs. Nora Ellis of Liverpool, England and Mrs. Van Maltby of Winnipeg, Manitoba.

Yvonne took an active part in Brownies, Guides and Cadets from the age of seven until 16 years. She represented the Cadets of Alberta in Europe in 1973, one of two

Alberta Cadets participating in a Cadet camp experience in Sweden and Denmark. She also was a representative to Quebec in 1972. Yvonne studied and also taught piano and had planned a career in either therapeutic recreation, in which she had been accepted at Mount Royal College in Calgary, or in occupational therapy, for which she had applied at the University of Alberta.

During her high school years Yvonne had been involved as secretary on the

Students' Council at Paul Kane. A friendly and likeable student, she had a host of friends.

Andrew Maltby was a fine student and particularly interested in math and biology. At the time of his death he was employed mornings at the Pacific 66 station and was planning to attend university in the fall in the faculty of education, with the intention of teaching biology. He was well liked and respected by his classmates, teachers and associates and had many

good friends.

Both young people will be sadly missed in their community.

A Memorial Fund has been established for Yvonne and Andrew. To be administered by a committee as a scholarship trust fund. Principal John Hrynew of Paul Kane High School, Assistant Superintendent Bob Pratte and the parents will form the committee and contributions may be sent to the Brostrom-Maltby Trust Fund in care of Paul Kane High School.

United Church anniversary celebrations

The St. Albert United Church will be getting in on that church's 50th anniversary

across Canada, June 8.

There will be special services at the St. Albert Church Sunday 10 a.m., commemorating the union of the three Methodist, Congregational and Presbyterian Churches in 1925.

The St. Albert United Church celebrated its 20th anniversary last year.

Birthday cake and coffee will be served after the special services.

Former Minister of the Edmonton Knox Metropolitan Church Rev. Bob Morris of Victoria, B.C., will also be a speaker at a mass rally in the Jubilee Auditorium June 8 at 8 p.m., for the celebrations.

Services held for David Neeser

The Reverend Len Musto conducted funeral services for David Edward Neeser of Greenwich Crescent in St. Albert United Church, Wednesday, May 28. David was killed in a car accident early in the morning of May 25, at the age of 23 years.

Soloist Deanna Reese accompanied on the organ by Dianne Wright sang Bridge Over Troubled Waters and Amazing Grace.

Palbearers were Jeff Armstrong, Roger Thornderson, Bill Clark, Rick Bremner, Murray Bower and Barry Lyons, a cousin of David.

Committal service and cremation followed.

David is survived by his parents, Jim and Shirley Neeser, a brother Wally in Vancouver, sister Mrs. Pam (Wally) Wright of Lethbridge

and Craig, Janet and Breen at home, and his maternal grandparents, Mr. and Mrs. R. L. Hampton of Claresholm, Alberta.

He was living at home at the time of the accident and working for Springer Construction, with plans to attend NAIT in the fall where he would study and apprentice to be a carpenter. Hockey was David's favourite sport and he played defence. Along with Jeff Armstrong he also coached Midgets in the Kinsmen minor hockey program here. In the summer season he enjoyed golf.

A Memorial Fund for David is being set up by the Kinsmen Club of St. Albert. Contributions may be sent to the Club at Box 178, St. Albert.

Camp Lacombe ready for season

Camp Lacombe, sponsored by St. Albert Parish operates under the theme "Friendship Pad" at Lac St. Anne, five miles west of Alberta Beach. This year the camp is fortunate to have received an Opportunity for Youth grant which has enabled the Camp to expand its program. The first session begins July 6-9 for girls 6 and 7 years to be followed by continuous three day and five day camp up to August 15 for children from 6-13 years.

A full program of Red Cross swimming lessons will again be offered by qualified Red Cross instructors. Also, this year the Red Cross canoeing program will be offered by qualified small craft instructors. This program is similar to the established Red Cross swimming program with badges being

received at the various skill levels.

Other activities include an overnight tripping program, treasure hunts, wiener roasts, hiking, sports, campfires, and sing songs. An extensive arts and crafts program is also offered with campers bringing home the products made.

Camp director Ross Johnston is assisted by Sue Hoffer, Sandy Willas, Pat McDonald, Belinda Moore, Leslie Shelymy, Carla Eisworth, Allen Eveniew, and John Kennedy. Many of these counsellors are in their second or third summer at Camp Lacombe.

Registration forms and further information can be received by phoning Sue Hoffer at 459-7449 or by calling at 6 Mill Drive, St. Albert.

THANK YOU

We extend with full hearts our sincere appreciation to each and everyone, for the thoughtfulness, kindness, verbal and written words, flowers and baking, the lunch prepared by dear friends. To Reverend Musto, to Jeff, to Joan, the palbearers and Howard and McBride, we thank you for sharing with us our darkest hours the loss in our family, son, brother and grandson.

Dearest David,
God be with us all
THE NEESER FAMILY AND ANITA.

Thank you

May we take this opportunity to thank all our friends and neighbours in St. Albert who have by their presence and understanding helped us all accept the tragic events which overtook both our families.

The support of the Reverend Musto, School Board members, Mr. Hrynew and the Paul Kane staff and Constable Montague has completely overwhelmed us by its generosity and sincerity.

Words will never be able to express and special admiration and affection for Yvonne and Andrew's fellow students and friends.

The Brostrom and Maltby Families.

Charges laid after Trail tragedy

Charges have been laid by RCMP this week following a serious accident on the St. Albert Trail May 25 in which two young people died.

Dead were 18 year olds Andrew Malby and Yvonne Brostrom, both of St. Albert after they were in a head-on collision with a car driven by 36 year old Claude Frederick Gagnon of Edmonton. Funeral services for the two

young people were held in St. Albert last week.

Mr. Gagnon has been charged with causing death by criminal negligence under the criminal code through negligent operation of his vehicle, also with impaired driving and refusing to take a blood test for which he was also charged.

Mr. Gagnon will be appearing at the St. Albert Provincial Court June 25, 10 a.m., in connection with the charges.

One person seriously injured in that May 25 fatal accident, 18 year old Laurie Covenlock of St. Albert is making good progress at the Royal Alexandra Hospital. She's satisfactory and improving according to a hospital spokesman.

Another 18 year old involved in that accident, also of St. Albert, is doing fine at the Sturgeon General Hospital. Karen Kennedy is up and around according to a hospital spokesman, but there's no word on when she

will be ready to leave the hospital.

Others injured in the accident May 25, Claude Gagnon, 36, of Edmonton and Louise Tremblay, 21, of St. Albert have all been released from the Sturgeon General Hospital after treatment.

SHOOTING ACCIDENT IN ST. ALBERT

A spokesman for the Royal Alexandra Hospital in Edmonton told the Gazette Tuesday that 17 year old Garry Cunningham of 40 St. Michael Street was in satisfactory condition after a

shooting accident in St. Albert last Sunday.

Mr. Cunningham was shot in the stomach with a .22 calibre rifle while playing with three friends (juveniles) in a bush area on the west side of St. Albert.

The four boys, who had two rifles between them, were shooting at trees when Mr. Cunningham was accidentally hit. He was first taken to the Sturgeon General Hospital in serious condition and was later, at 8 p.m., transferred to the Royal Alexandra Hospital.

RCMP said that to date, no charges have been laid in this incident.

FAIRVIEW MAN HURT IN BIKE SPILL

A Fairview man came a cropper on his motorbike while riding it in St. Albert June 2.

RCMP said that Norman Maisonneuve came round the intersection at Sir Winston Churchill Avenue and Perron Street and spun out on his vehicle.

The accident happened at 6:30 p.m., and no other vehicle was involved.

Maisonneuve was admitted to the Edmonton General Hospital for bruises and cuts and was released from the hospital Monday night.

Shown are Leah Gramlich and Greg Wood who were prize winners in the Canadian Cancer Society Poster Contest. The two, who are students at Albert Lacombe School, were winners over 1,000 entrants in the Edmonton and District area for students in Grades 4 - 6. Leah, grade 6, age 12, won first prize and a cheque for \$15., while Greg, grade 4, age 9, won second prize and a cheque for \$10 for their posters on cancer prevention.

AROUND TOWN

The St. Albert Senior Citizens have been invited to visit the Legal 60 Roses Club on June 11, when they will be entertained at a tea. The Legal Club is sending a bus for their guests, which will leave the Seniors Recreation

Centre at 1:30 p.m. Twenty-nine seniors are going, including seven from Youville Home.

The Seniors meet in St. Albert on Thursday, June 5 for a bridge party at 1:30 p.m. at their Centre.

Meeting makes progress on Relief Centre for Mentally retarded

The third in a series of meetings on services to mentally handicapped people and their families in the Town of St. Albert and MD of Sturgeon was held May 21 in the Social Services office.

In attendance were Charles Gale, social services director for the town, Cal Townsend of the social services board, Olive Chesley, social worker with Grandin Medical Clinic, Gwen Law of Sturgeon Health Unit, Fred Loach representing provincial services to the handicapped, Cliff Keyes, administrator of Sturgeon General Hospital, Gloria Shade, president, and Lucille McDonald of the Gateway Association for the Retarded and Shirley Jamison.

Mr. Loach reported that he had not yet received a report

on a method developed in Omaha for analyzing a community relative to its needs for services to the mentally handicapped. However he felt the progress could go forward on the matter of a Relief (or crisis) Centre, which was the main concern of this meeting. Such a centre would give parents or guardians of mentally handicapped children or adults much needed relief by way of temporary care from time to time.

The province uses five categories in relating services to the mentally handicapped: profound, severe, moderate, mild and borderline and Mr. Loach pointed out that the first two require medical attention, and the last two have other services available, so that basically a

relief centre would focus on the moderate category. Such a centre is being considered to serve South Edmonton, North Edmonton and the Sturgeon district he said. Concern was expressed by Olive and Gwen that the people coping with profound and severe cases were most in need of help. Mrs. Law pointed out that the Health Unit has two or three patients discharged from Doerhorne are now living with elderly parents, and also asked what can be done when a situation occurs such as a mother of a mentally handicapped child dying.

Mr. Loach said that existing facilities should be contacted such as residential facilities, Pineview, Centennial

Villa or Cormack or Glenrose Hospital. Sometime people go to relatives for a while, he added, but there is inadequate provision for all cases.

A previous meeting had showed that there were 12 severely handicapped requiring institutional care, in the St. Albert-Sturgeon area, but figures were not available for the less dependent requiring supervision without a medical component, or for those whose needs are met through special classes in schools.

Mr. Keyes pointed out that with such a small percentage of severely handicapped it could develop that in the Sturgeon Hospital Division there might not be one in the profound or severe category, in which case he wondered about the feasibility of setting up a service in the hospital. Mr. Loach felt "We do not know where they are," and Mrs. Law noted that all the public health nurses have been alerted to keep track and report on any cases they hear about or come in contact with. In a reply to a question Mr. Keyes said that at present it has not been suggested to have a psychiatric ward in the hospital. Mrs. McDonald stated that at present severe cases are sometimes taken to jail if an unmanageable behavior problem arises.

Mr. Loach agreed that at present facilities are simply not adequate. The very young children are O.K. in the homes he said, but after age 6 - 10 they are heavier - more difficult to cope with.

Mrs. Law asked if a relief facility would serve most cases that the moderate in the interim until new facilities for them are built - possibly to look after them for a month or so, and was told that it would. A Sturgeon Centre, located in St. Albert could provide interim relief for all three main categories in the 18 - 45 age group, said Mr. Loach.

FACILITIES

A duplex or residence could be converted for a Relief Centre and investigation had revealed that there was a large apartment house in North Edmonton that might be available soon, part of which could be used as a relief centre and part as a permanent service. Pineview home might also have a wing available for a relief centre. There was general agreement after discussion that Pineview would be an excellent choice, since staffing would be easier and less expensive and services were already available there. Mrs. Chesley said that there were already several mentally retarded people there and that the centre was an excellent one. Mr. Loach said that Edmonton Rehabilitation would have to be brought into the picture if this was considered, as they assist with the funding, along with the province. The possibilities of the apartment house, a facility in St. Albert and Pineview will all be investigated further.

Administration was also discussed and more consideration will be given this aspect after a facility has been selected.

FINANCING

Mr. Loach reported that a Crisis or Relief Centre is already in the budget priorities and some funds he felt would be coming from the province. Mr. Gale said that under Preventive Social Services funds could be made available for programs, such as Recreation and Day Care. He asked about building a new facility but Mrs. Chesley thought the need would have to be really, really proven. At present the group has been talking of from 6 - 8 people in such a centre at a given time. She also noted that she had placed four mentally handicapped girls in Pineview and three of them are now working full time.

The matter of staffing was also discussed as to numbers required on a 24-hour basis

in three shifts, qualifications. Mrs. Law pointed out the savings that could be accomplished if Pineview were used - cooking would be done and there might be existing staff that could be on call. Mrs. Chesley asked if it might be possible to work out an agreement with Edmonton Rehab for services at much a month and Mr. Loach thought this was a good possibility - probably through a yearly grant, and it might be possible to get both a permanent and a relief centre at Pineview under a joint agreement.

Mrs. Shade felt that the Gateway Association would feel that Pineview would exactly fall in with their wishes. It was decided to meet again on June 4 at 7:30 p.m., with representation present from Edmonton Rehabilitation Society.

AGT GOOD NEWS PARTY LINE

The Saint Albert Square Dance Club the Saints and Sinners will be dancing in the Lions Park - June 8 [afternoon] in connection with the Rodeo.

"Meditation and Self 'Knowledge' will be the subject of an informal program at the St. Albert Public Library Annex on Friday, June 6 beginning at 8 p.m. Live music and refreshments will be provided to complement the evening's discussions. Everyone is invited to find out for themselves about this popular and controversial subject. Admission is free. The program is being presented by Divine Light Mission.

St. Albert Fire Fighters Local 2130 will provide courtesy transportation for the Senior Citizens to the Rodeo Parade June 14, 1975. Loading at Youville Home at 9:30 a.m., and at the Senior Citizens Recreation Centre at 9:45 a.m. Coffee and donuts to be provided at the Senior Citizen's Recreation Centre. The annual Grade 11 St. Albert High School Prom was held in the high school gymnasium on Friday evening, May 30. Parents of Grade 11 students were in attendance and the gym was gaily decorated as a park. Nite Lite offered a good variety of music so that all patrons enjoyed themselves. Five Grade 11 girls vied for the title of Prom Queen - Fran Bellef, left; Sheralee Ohtolinsky, Joanne Bremault and Isabelle Ethier. (Bernice McGillis was not present for the photo). Sheralee came out the winner. St. Albert High School Students' Council and students who worked on various committees are to be commended for a good job.

Records, tapes at the library

The St. Albert Public Library is now providing records and cassette tapes to its members as part of its expanding services. The initial collection of 500 items was unveiled last Wednesday evening at a function sponsored by the Library Board. The collection reflects all tastes and will be added to regularly in an effort to

establish a useful, popular collection.

At present library patrons in Grade 9 or older may borrow two items or 1 set for a week. There is no charge.

A free booklet listing all items in the library's record-tape collection is available at the library. And please let the library know what you would like to hear.

Safety Council Reminders

PARENTS

Does your young child cycle to school? Is it necessary that he do so? Would he not be safer walking, and using his bicycle only near home? Think about it.

MOTORISTS

Slow down to 5 m.p.h. while passing a school bus loading or unloading. A child running out in front of the bus wouldn't have a chance if you're going at 20 m.p.h.

AT HOME

If you leave your garage door open, keep garden chemicals, sharp tools etc., out of reach of children. A neighbour's garage is a tempting playground. **PLAY IT SAFE!**

St. Albert Safety Council

Current programs end at the Library

The St. Albert Public Library's current children's programs will end next week. The final Preschool Story-hours will be held Tuesday, June 10, at 2 p.m. and Thursday, June 12, at 20 a.m. with the usual part complete with cookies and lemonade. There will also be a special Bilingual Storyhour on Friday, June 13 at 10 a.m. to end the spring programs.

SUMMER HOURS AT THE PUBLIC LIBRARY

With the end of school, the St. Albert Public Library goes on summer hours. Effective June 22 the library's hours will be:

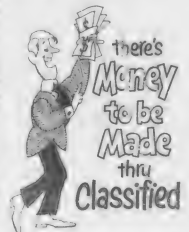

SUNDAY CLOSED
MON. TO FRI. 10 am to 8 pm
SAT. 10 a.m. to 2 p.m.

The library's new book drop will be useful this year for returning library materials at other times.

RODEO FLOAT

Thursday, June 12 will also be the final craft time at 4 p.m. This session will be devoted to readying the library's float for the rodeo parade on Saturday, June 14. All children are welcome to attend and pitch in. Anyone wishing to ride on the float in the parade should also come along on Thursday at 4 p.m., this week and next week to help get ready.

Special summer children's programs for all ages at the library will be announced shortly. Have a happy summer!

District 6 adopts fixed spring break

Trustees of the St. Albert Protestant School District No. 6 voted on Wednesday, May 28 to adopt a fixed spring break. This follows the pattern adopted by the Edmonton School System, District No. 3, and the Sturgeon School Division. The fixed spring break will be introduced in the 1975-76 school year which was set at 198 operational days and 193 instructional days.

EDUCATION COMMITTEE MEETING

Trustee Don Munro reported that the first education committee meeting will be held on Wednesday, June 4. It will take the form of an information meeting for board members and members of the public if they care to attend. He said that several resource personnel will be on hand to report on their areas of special interest.

SUMMER SPORTS PROGRAM

Assistant Superintendent Bob Prather reported back to the board in connection with the summer sports program. He said that he had met with

the Director of Parks and Recreation for the Town of St. Albert and had learned that the town is prepared to undertake a summer sports program. At present, two or three sports are being considered.

Trustee Munro moved that the district administration, in consultation with the town parks and recreation, develop a summer extension program for implementation in 1976. Mr. Munro did not want to exclude totally, a program for this summer, if parks and recreation were prepared to offer something on a limited basis. He doubted, however, that they would be prepared to do anything on a large scale for this summer.

Chairman Bill Webber considered this a function for Joint Use and said the board should indicate its desire to provide facilities and any assistance with Joint Use.

A vote on Mr. Munro's motion was taken and passed.

FUND RAISING

Trustee Munro reported that concern had been expressed to him that there are too many fund raising activities. Service Clubs,

voluntary organizations and schools are continuously soliciting funds during the year. As far as schools are concerned, Mr. Munro said the major reason for fund raising is outdoor education and he had two suggestions in this regard. Firstly, schools should co-ordinate their activities and hold a one-day or one-time fund raising drive and share the proceeds. Alternatively, he suggested that as outdoor education is so popular and part of the curriculum, perhaps the board should look after the funding.

Trustee McCaffery made the point that when schools sell manufactured items, they receive only a small percentage of every dollar earned.

It was moved that the district administration bring the matter to the attention of the administrative council when it next meets.

RECOMMENDATION FOR HANDICAPPED CHILDREN

Trustee Shirley McCaffery introduced a recommendation concerning handicapped children. It read, "The Alberta School Trustees Association advocate that a comprehensive educational

program be made available for all educable trainable mentally handicapped children within the publicly-supported school systems in the province with funding to be provided by the School Foundation Program."

She explained that the wording may need clarifying and she invited assistance. The essence of her recommendation was to discontinue the segregation of handicapped children and to incorporate them into regular school systems with assistance in funding to be provided by the provincial government.

Trustee Dr. W. Cuts felt the wording was fine as it was.

Bob Prather, assistant superintendent, spoke in support of Mrs. McCaffery's recommendation, mentioning that in Saskatchewan, educable/trainable handicapped children are educated in the school system. He considered that handicapped and non-handicapped children benefit from integration.

Mr. Prather added that funds available to the Winnifred Stewart and Evelyn Unger Schools are inadequate, making fund-raising activities very necessary. He mentioned that some children atten-

ding Winnifred Stewart have families living as far away as Peace River.

Trustee Murdo MacFarlane remarked that Mrs. McCaffery presented a recommendation "lacking lucidity." Somewhat stunned, Mrs. McCaffery returned a thanks that she may not have felt.

Trustee Don Munro agreed in principle with the recommendation. He thought it would have to be carefully worded and moved that it be tabled until the next meeting. The motion

was carried.

T.V. DEBUT

The board made its television debut last week. The meeting was recorded on video tape on Wednesday and televised by Capital Cable TV on the following evening.

The meeting opened on a solemn note. Chairman Bill Webber extended the board's deepest sympathy to the families and friends of the young people who were in the fatal traffic accident the preceeding weekend.

Thankful for healthy children

There are many ways that you can express your thanks for having healthy children.

Mr. and Mrs. G. Hodgins of St. Albert decided to do it by adopting seven year old Amanda Lopez of Tumaco, Columbia.

Mrs. Hodgins said Monday that she'd thought a long time about taking the step and it was the fact that she had three healthy children that finally swung the issue in Amanda's favour.

The money which the Hodgins send to Amanda (it is used for the whole family) provides for medical care, as well as useful clothing and food items.

Amanda has three brothers and her father is a woodseller. She is not attending school yet.

Foster Parents Plan of Canada has the task of getting the money and help out to Amanda.

Accent on Akins

By Carolyn Seltz

The artistic quality of the students of Lorne Akins was demonstrated last Wednesday night. "Mirth and Music" was presented by the school's drama club and various bands. The evening lived up to its name. The play - "The Ugly Duckling," by A. A. Milne, was fantastically funny - the antics of a delinquent King, a pondering Chancellor and a down-to-earth but dignified Queen could hardly fail to be so. The sounds coming out of the band's instruments were definitely music - much to the relief, I think, of many in the audience. In my opinion, quite a few of the spectators received much better entertainment than they had expected. The production

was, in quality, much better than its precedents.

The drama club's presentation was set in a medieval fairy tale, and was the story of - horror of horrors - a plain princess. Who will marry a plain princess? The King, Chancellor and Queen set their minds (one sharp, one sound and one long vacated) to the problem. The Queen and Chancellor find a terribly ruthless plan and set about enacting it. Complications occur as cannot help but happen with such addled players, but in the end, all is resolved and it is assumed (as the King would say) that they lived happily ever after.

The play was as well produced as it was written and thought, I gather, some had terrible hearing, most

really enjoyed it.

The other part of the program - the Bands - certainly had no fear of not being heard; every sound produced was music to the ears, however, so the volume was rather nice. Flutes, Clarinets, Saxophones, Fr-

ench Horns, Trumpets, Trombones, Snare and Bass Drums, and one courageous Tuba, produced the noises, which, joyfully, were all in harmony - except for one or two fluffs.

All in all, I think we should be proud of ourselves.

Nursery school plans for next Fall

The Creative School has just completed its 11th year of operation. Eleven years ago it began in the community hall with one nursery class. The next year they helped build the Creative Arts Centre behind Vital Grandin School and moved in with a nursery class and a kindergarten. In the ensuing years the school has gained a wide reputation in town for providing an excellent preschool program for four and five year olds.

Despite the fact that kindergartens will be in the schools next year, the Creative nursery is still alive and well and registering for next year.

The program for the nursery-aged child (3½ to 4½) is broad and the aim is to

educate the whole child - socially, physically, emotionally, and mentally. The children don't realize, however, that they are doing anything but having fun. Arts and crafts is a big part of the program with creative drama, dance, visitors from interesting places, field trips, gymnastics and story time to round out the 2½ hour program.

After operating 11 years, they nursery school is well equipped and the children can choose from a wide variety of toys and activities for free-play. There is even a playhouse and a puppet theatre.

Teacher, Mrs. Opderheyde is one part mother and one part teacher-friend to her young charges. She loves them and they, in return, adore her.

The Creative School Nursery is parent-operated and non-profit. Registrations for next Fall are now being taken. Please phone Beth Cunningham at 459-5256.

Sports

More town girls playing soccer

THE GIRLS seem to go at it with more vengeance than their male counterparts. A shot from St. Albert Senior Girls soccer last week, between the aptly named Lions and Tigers.

If this is the first year you've seen girls playing soccer in St. Albert there's a reason for it.

Last year, girl soccer players in St. Albert who wanted a game had to get

their kicks in the Edmonton Soccer League. And there were two teams from St. Albert in that league last year.

This year, partly through the availability of more

coaches, girls in St. Albert who wanted to play soccer from age 10-16 joined the eight team house league and play the game in their own town.

A spokesman for soccer in St. Albert, Gordon Beckwith said Tuesday that league activities could be extended to take in the eight year old girls age group for next year. This will depend on the availability of more coaches. So although some St. Albert girls have been playing soccer since last year, this year is the first they have really had their own league.

Sturgeon Swingers

Last Tuesday 42 members turned out to golf on our nicest ladies day so far. Yesterday 35 ladies turned out for golf.

On Monday the Sturgeon ladies scored 70 points in the Marshall Cup competition. The Sturgeon Valley Ladies Golf Club has a membership of 50 "Swingers" to date with new members joining each week.

Till next week remember "that shoulder turn."

1975 Alberta Summer Games planned for Red Deer

Residents interested in participating in the 1975 Alberta Summer Games can contact the St. Albert Recreation Department for information.

The first Alberta Summer Games in Calgary saw 2001 athletes compete in 20 sports. The seven zones in which the province had been divided produced 45,000 competing athletes in local and zone eliminations. The games are growing. This year Red Deer will host 3,000 athletes in 22 sports from August 29 to September 1. With the addition of one more zone in 1975, athletes participating at the zone level should exceed 50,000 participants. And that is what the Summer Games are all about - participation - a chance to have fun and improve physical fitness levels.

Participants in the games range in age from 13 to 80 with opportunities to compete in three different classes. The major level of competition is the Alberta class which serves the development needs of the Provincial Sports Association.

This class is based on equal representation from each zone in the province. Each sport competing in this class has appointed a zone sport representative for Zone 5 who will organize the zone 5 playoffs.

The Challenge class events provide an opportunity for those athletes specializing in a sport to demonstrate their ability. The competition is not restricted to equal zone representation and entries are open. Zone playoffs are not held in this class. Excellence will be seen in the Invitational Class with national and international athletes competing.

The success of the games will be largely due to the volunteer. One of these volunteers is your local recreation director. If you are interested in participating in the Alberta Summer Games in Red Deer ask your Recreation Director. He will be able to give you the rules of each sport and also the Zone 5 sport representative who will be able to give you the details of the Zone 5 playoffs.

Become a participant in the Alberta Summer Games, have fun and enjoy the benefits of amateur sport. Ask your recreation director - call 459-6601.

Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville. Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three one week sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only \$50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 14, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Blodreau of the Dayton Gems and Greg Joly of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the game.

Proceeds go to the Central Sturgeon Ag. Society to help pay for the new multi use facility.

Town bolsters Rec staff-coordinator hired

The Town of St. Albert's Parks and Recreation Department announced last week that three new appointments have been made to their staff. The positions which have been filled are Community Recreation Co-ordinator, permanent staff, Teen Program Co-ordinator, and Tennis Program Supervisor for the summer months.

COMMUNITY RECREATION CO-ORDINATOR

Mr. Rein Selles has assumed responsibility as community recreation co-ordinator, a position identified in the recreation master plan.

"I am in charge of the program development in the community," Mr. Selles explains, "which is all aspects - sports, cultural, social - for example the fall programs could be all the way from gourmet cooking to bicycle safety."

Mr. Selles explains that his role includes association with all of the clubs and organizations on the local level, as well as association with the provincial bodies in terms of development of courses and recreation programs. "At the moment," he reports, "I am investigating all the programs and finding out what we can offer. It is a little difficult at the moment because we are working four or five months in advance but hopefully by the end of June we should have a fairly good idea as to what we can offer later this year."

The community recreation co-ordinator is very much

Community Recreation Co-ordinator Rein Selles, recently hired by St. Albert's Parks and Recreation Department, is in charge of program development in the community. Mr. Selles came to St. Albert from the Department of Culture, Youth and Recreation where he was a consultant in the development of recreation programs for senior citizens and the disabled.

involved with the preparation of summer programs at the present time. Mr. Selles noted that the summer playground program is to commence in early July and staff will soon be hired for this program. (An outdoor recreation clinic, a special program, is to be offered in late June and the course will cover an introduction to various outdoor activities and is currently being mapped out).

Mr. Selles was born in Holland, raised and educated in Ontario, and completed his degree in Recreation at the University of Waterloo, Ontario. In late 1973, he joined the Department of Culture, Youth and Recreation of Alberta as a consultant in the development of recreation for senior citizens and the disabled.

Mr. Selles hopes to make his home in St. Albert and looks forward to involvement in the community at both a professional and personal level. A musician and qualified children's theatre director, Mr. Selles brings a variety of interests to the recreation department.

TEEN PROGRAM CO-ORDINATOR

Mr. Corey Torgness states that his role is to provide activities for St. Albert's teen-agers this summer. The position is in existence for the first time this year and the intention is to see that "as many young people as possible introduced to as many activities as possible."

"I hope to organize activities such as horseback riding, bike hikes, camping,

swimming, sailing, backpacking, trail hikes, roller skating, and as much else as I can," Mr. Torgness reports. He also points out that he will be planning things at least one week ahead and will be posting lists of activities at various locations in the town. He will also be working with the various teen organizations in the town, such as St. Albert Youth, to arrange activities that are suggested.

Mr. Torgness has worked for the City of Edmonton Parks and Recreation Department for the past four summers with teen-agers in the "inner city area" and established a drop-in centre which has been in operation over the last three years.

"The summer programs will commence on June 23, for sure," Mr. Torgness reports, "and some might commence before that date." He states that he is presently attempting to secure a facility for one night per week where the teen-agers can meet.

TENNIS SUPERVISOR

Supervisor of the tennis program for 1975 is Mr. Laurie Newton who is certified as a teaching professional by the United States Tennis Professionals Association. Mr. Newton has been playing tennis for over 10 years and was responsible for the operation and direction of an annual open tennis tournament in Iowa City, Iowa, for six years.

Mr. Newton has a master's degree in physical education and is working on his Ph.D. in the area of sports

medicine. He has taught high school in Saskatchewan, instructed at the University of Iowa, and was on the staff of Queen's University in Kingston. Mr. Newton has also been instructing tennis for about six years.

He notes that there has been a set of tennis lessons offered to make up for overflow from the tennis club. Six classes running three times per week have been conducted for those not able to be accommodated in the tennis club, and the classes have been well received by both juniors and adults. He reports that a second set of lessons will be offered starting June 6 for housewives, juniors, school-age youngsters, adults and couples only. The program will run until June 25.

Courts will be starting to operate on a reservation system, states Mr. Newton, and he feels that this type of system will be more efficient than the "first come first serve" system currently being followed. Mr. Newton hopes to have the system ironed out by the end of this week. An instructor training program will be offered to train those who have indicated interest in learning the instructional aspects of tennis playing.

Both Mr. Newton and his wife will be instructing tennis this summer.

Mr. Corey Torgness states that his role in the Parks and Recreation Department is to provide activities for St. Albert's teen-agers this summer. Mr. Torgness was recently hired by the town and has extensive experience with teen-agers through his field work in the City of Edmonton.

Mr. Laurie Newton, tennis supervisor with the Parks and Recreation Department, gives a student a hand with the techniques of making a tennis ball spin when returning a volley. Mr. Newton has been playing tennis for over 10 years and is a certified teaching professional through the United States Tennis Professionals Association.

Unfit
is
blah.

Fitness. In your heart you know it's right.

"How's the new girl in the office doing?"
"Fine, but she's awfully nervous. As soon as she sits down at her desk she starts to work."

The tight old landlady brought a plateful of very thin slices of bread and placed them on the table.

"Did you cut these?" asked one of the boarders.
"Yes, I cut them," the landlady replied.
"Good," said the boarder, "I'll deal them without shuffling!"

And then there was this coyote from you know what country, that got caught in a trap and chewed off three legs before he found the right one.

Paul Kane wins Conference meet

At the Sturgeon Conference track meet held in Morinville on Tuesday, May 27th, 28 Paul Kane athletes came home with first and second place ribbons and earned the right to represent Sturgeon in the North Central Zone meet held Saturday, May 31.

Paul Kane High School won the meet with an aggregate total of 447 points, 149

more than its closest competitor St. Albert High. Other schools competing included Redwater, 212 points; G. P. Vanier, 197 points; Legal, 171 points and Thorhild with 85 points.

Outstanding individual efforts for Paul Kane include the unbeatable Suzanne Jewitt, who finished first in four separate events and won a medallion as the best

senior girl.

Brad Sinclair, the top intermediate boy, finished first in the long and triple jump and second in the high

jump and javelin.

Kevin McKendry, awarded a medallion as the best junior boy, finished first in the discus and shot put,

setting new records in both and was second to Helgi Eyford also of Paul Kane in the 100 m. and 200 m. events.

Despite these notable achievements, Paul Kane's success was an overall team effort by an enthusiastic group of student-athletes.

Home baseball action

In Sunburst baseball action, June 5, the St. Albert Willowbrook Saints will have their home opener 7 p.m. at the Mission Park ball diamond versus the defending league champions - the Camrose Cubs.

The Saints have started the season so far with two wins, one loss and one tie. A spokesman for the Saints said that they have done an excellent recruiting job this season. Three players have joined the club from the

Leduc Oilers. These are: Harry Hodgson, Rick Curritt and George McCarthy. Other newcomers are Dale Rurke and Larry Murray from the Edmonton Blockers and Al Kennedy of the Blue Willow Juniors. These are in addition to the following holdovers: Greg Taylor, Larry Wolbeck, Hank Reinhold, Art Reckio, Fred Seyers, Gerry Rehniger and Denis Fitzgerald. Other newcomers include Lynn Hannah, Dan Towpich and Gene Sharun.

ST. ALBERT RECREATION REPORT

PEDAL PUSHERS

The last session of the current pedal pusher program will take place on Friday, June 6.

Until that day, motorists are asked to continue to co-operate by keeping away from the locations where the program is in progress. Both motorists and the weather have been co-operative and the program has been going very well.

SWIMMING

Registrations for swimming instruction during July and August are being taken at the pool every day, Monday through Friday (excepting holiday Mondays) from 3-7 p.m.

At the time of writing, there are no openings for pre-beginners, beginners,

intermediates and water orientation (5 and 6 year olds) in the session, June 30 - July 11 or for intermediates and water orientation (5 and 6 year o.s.) in the session, July 14 - 25.

There are, of course, openings at all levels in the sessions from July 28 - August 8 and from August 11 - 22. Lessons are also offered in Royal Life Saving, springboard diving, synchronized swimming, skin diving and advanced aquatics. If interested in any course of lessons, enquire at the pool for a description of the course and the pre-requisites required. They were also included in an advertisement in the Gazette on May 14.

Adults are reminded of the different approach this year to their aquatic activities. From 9 - 11 p.m. on Tuesdays and Thursdays, for the normal admission fee,

they have a choice of lessons in practically any area or level of aquatics - recreational swimming. Or indeed, they can do both - although not at the same time!

Children shouldn't miss King Neptune's Water Circus. "Performances" are given on Saturday mornings between 9 and 11 a.m. Half the time is spent in organized games, races, etc. and half with "free" swimming. Water toys are permitted, provided they meet the approval of King Neptune and his attendants.

Children of seven years and under must be accompanied and supervised at all public swimming sessions by a responsible person of at least 16 years. During the water circus, the supervisors may be asked to remain on deck.

On Sunday, June 8 a springboard diving clinic will be held from 9 - 10 p.m. for children and from 10 - 11 p.m. for adults. For the cost of the admission fee, participants will be introduced - if an introduction is necessary - to diving and its many variations. Clinics in small crafts and synchronized swimming will be held on following Sundays in June.

Don't miss the annual Rodeo Swim Meet on Sunday, June 8 at 1 p.m., which is bound to be full of surprises: a fun meet which is always enjoyed by everyone, both participants and spectators. There will be no

public swimming that afternoon.

SENIOR CITIZENS

Senior Citizens are reminded that transportation will be provided to the Rodeo Parade on June 14 through the courtesy of the St. Albert Fire Fighters Local 2130.

On the morning of the parade, "pick-ups" will be made at the Youville Home at 9:30 a.m. and at the Senior Citizens Recreation Centre at 9:45 a.m., and coffee and donuts will be served at the Centre. Phone Mrs. N. Zoltenko at 459-7340 or Mr. B. Morin at 459-6536 for further information.

ARTS AND CRAFTS

The Parkland Craft and Recreation Camp will be held at Poplar Springs Park (two miles north of Seba Beach) from July 20 - 25.

Contact Parkland Regional Recreation Box 178, Stony Plain or phone 963-2211 for further information.

SUMMER RECREATION

Next week's Gazette will contain information about some of the recreation pro-

grams which will be taking place this summer.

There will be something for everyone and there

should be no reason for anyone to complain about having nothing to do; there's going to be lots.

7 PK athletes win berths in track final

At the North Central Zone Championships held May 31, Paul Kane finished the race with five first place medals, six second place finishes and nine thirds. In all seven athletes will go on to compete in the Northern Alberta finals to be held in Lloydminster on June 7.

Helgi Elyford proved to be Paul Kane's most outstanding sprinter winning the 100 m and 200 m events.

In the throwing events, Kevin McKendry led the way with a first in the shot put and a new record throw of 36.78 m in the discus.

Suzanne Jewitt led the senior girls with a victory in the 80m hurdles and second place in the 200m. Brad Sinclair finished second in the high jump and triple jump competitions.

Val Greene, a promising distance runner, was upset in the 800 metre event by Sue Bell of St. Albert High with both girls beating the old record set in 1973. Val previously had beaten Sue at the Sturgeon meet.

Phil Sommers and Shelly Sommerville finished second in the discus and long jump respectively.

Honorable mention should go to Maureen Anderson, Myrna Macaulay, Daryl McIntyre, Terry Leddy and Rob Erickson who finished third in their events and missed the Northern finals by only fractions of a second.

Final conference standings were as follows: Strathcona 275 points; Sturgeon 235 points; Parkland 142 points; Athabasca 73 points; Lac St. Anne 68 points and Pembina 14 points.

St. Albert High athletes at regional meet

A number of St. Albert High School track and field competitors have qualified for a regional meet in Lloydminster this summer.

Attending the regional meet will be John Kennedy who now holds the new North Central Zone 1500 metres record with a time of four minutes 26.9 secs., also Sue Bell with a two minute 32.7 sec. record for the 800 metres, and Sarah Van

Tighem with a record time of 26.5 secs for the 200 metres. Tammy Osborne, Denise Young, D'Arcy Brenneis and Sue Bell came up with a record 53.4 secs in the 4 x 100 metres relay and they will also be at the regional meet.

Other competitors attending Lloydminster will be Jim Scheibelhofer, Mike Byl, Kevin Pietrzak and Ron Bruinink.

T-Ball a hit with young fellows

Forty-eight eight year old boys are getting a different kind of introduction to the sport of baseball - and they love it. The dads and moms are enthusiastic too and turn out in good numbers to watch their sons play T-Ball.

For the uninitiated T-Ball has the batters hitting the ball from a roughly waist high tee, rather than from a pitcher. Regular bats and a baseball size ball are used and an important difference for the young beginners is that there is more continuous action, keeping everybody interested and on their toes.

Each team has 12 players and there are four teams in the league. Positions are pitcher, catcher, three basemen, two short stops and five fielders. Six innings make a game and the inning ends after either three players have been out or nine have batted, whichever comes first.

Once a ball is hit off the tee the opposition can either throw to first base, or second or third if runners on, or they can stop the play by throwing the ball to the pitcher. Once the ball is in to the pitcher runners cannot advance to the next base.

In the interests of safety the tee is collapsible - coming in three sections, base, stem and cup, so that if it is struck the player won't be hurt. The kids are also required to wear helmets.

Harry Mandzie, who coaches the Tigers, has experience with T-Ball in the East and helped get it going here along with Joe Arisman, league chairman. Umpire in Chief is T. Shaw, and the other coaches are Vic Hogan (Cougars), Al Barteski

(Lions) and Vic Fouquette (Leopards).

This would appear a good way to introduce girls to the game as well, and there has been some talk of starting the young fellows next year at the age of seven.

Games are played each Monday and Wednesday eve-

nings at diamonds at Simpson and SAM schools. If it is decided to hold playoffs they will come up in September.

MD of Sturgeon sees problems with building safety standards

The explanation of the provincial government's efforts to enforce uniform building safety standards in the MD of Sturgeon met with a cool reception by the MD last week. They thought that there

was good intent in the efforts of the Alberta Building Standards Branch to provide a service for building inspectors to upgrade and listened carefully to what Head of the Field Services Branch Sid Cartwright had to say.

He pointed out that if each MD area was enforcing its building safety standards then there was little chance that the Branch would come into the picture. However he added that in certain cases a building inspector might find the need - to take a course in that part of the safety code he was required to work in. He also said that at some stage building inspectors would have to become accredited with the province so that there might be a uniform building (safety) standard.

Under such a system, the MD's building permit bylaw would have to reflect the current legislation of the province's safety standards.

Reeve of the MD Bill Flynn was assured that the govern-

ment was not going to take the place of the MD's inspector and that the training program and inspection of MD building plans would be free. Inspection would include everything from the single family dwelling to larger units.

One objection raised by the MD was that too much time might be taken by the government in vetting building plans before they could be acted upon.

Mr. Cartwright said that it might take up to a week for smaller plans to be looked over and up to five weeks for larger plans. With a construction season of only seven months, the MDs development officer thought that this was unsatisfactory

and said that he was aware that some plans take a month to look over in some cases.

Mr. Cartwright assured the MD that the pressure for

uniform building standards was due to public demand and quoted two cases where better safety standards might have saved trouble in another province.

Progress on joint sewage proposal

At its regular development and executive meeting May 29, the MD of Sturgeon was informed of progress on the joint sewage proposal between the MOT and Villeneuve.

Development officer Gary Brownlee said that the proposal had been under discussion May 20 during a meeting with MOT, Alberta Environment and Associated Engineers. At that meeting Environment pointed out that it would not be in favour of a lagoon system at Villeneuve and did not want any more effluent dumped into the Sturgeon basin. It advised that there should be more studies on the issue with MOT looking at the possible use of irrigation or a tie-in with the St. Albert sewer line as a means of waste disposal.

If a lagoon system were

allowed, it would cost \$800,000 to develop a figure quoted at the meeting. A previous executive meeting of the MD had suggested that the matter be tabled till more information is to hand. Soil tests have still to be done by MOT and the MD is hoping that any costs incurred by the project will be absorbed by the Department of the Environment.

While the meeting was on the topic of sewage, Councillor Lawrence Kluthe told council that Vimy was having problems with its plastic pipe sewer system and that the problems had been caused through engineering fees and guidelines insisted on by the Department of the Environment. He said that the project was not out of the woods yet and was now "in the laps of the MD of Westlock."

CORRECTION

The Gazette would like to put right an error which inadvertently crept into MD briefs in the May 21 issue of the paper.

In that issue it was stated that the "MD wants an allocation of \$175,000 for the Fedorah Road, \$75,000 for the Evergreen Road and \$25,000 each for the Villeneuve and Horse Hill roads."

Minutes of the MD from that meeting state that a

letter is being sent to the Department of Transport requiring assistance on the Villeneuve Road (\$175,000), Horse Hill Road (\$75,000), Fedorah Road (\$25,000), and Evergreen Road (\$25,000).

MD of Sturgeon optimistic on solving traffic problem

Referring to a recent announcement by the Minister of Highways on the development of a ring road and the North West Freeway the MD of Sturgeon felt optimistic that the problem of a busy (and dangerous) Highway Two would eventually be thing of the past.

At its regular executive and development meeting May 29 Councillor Walter Van de Walle said that

"everything adds substance to our brief that the widening of Highway Two is no solution (to the traffic problem)."

There were hopes that a map with the location of the ring road would be out soon and Reeve of the MD Bill Flynn said that the Minister would be making an announcement August 1 on improvements to the traffic situation in this area. The

minister has already expressed the opinion through the media that a ring road and North West Freeway is the only way to eliminate the problem of traffic distribution.

Councillor Lawrence Kluthe says that he will bring this problem up at the next regular meeting of the Edmonton Regional Planning Commission in the light of Edmonton's decision not to go for the North West Freeway.

DEVELOPMENT ADJACENT TO VILLENEUVE AIRPORT

The MD of Sturgeon is to adopt a policy of not permitting any country residential development in the flight path and circuit area of the proposed Villeneuve airport. It will approach the ERPC for help in developing the policy for there are already indications that one developer has plans for country residential developments in the vicinity of the airport. By taking action soon the MD hopes to avoid having complaints from residents near the airport of TV interference caused by low flying aircraft and pilots testing out their aircraft at the crack of dawn.

SECRETARY

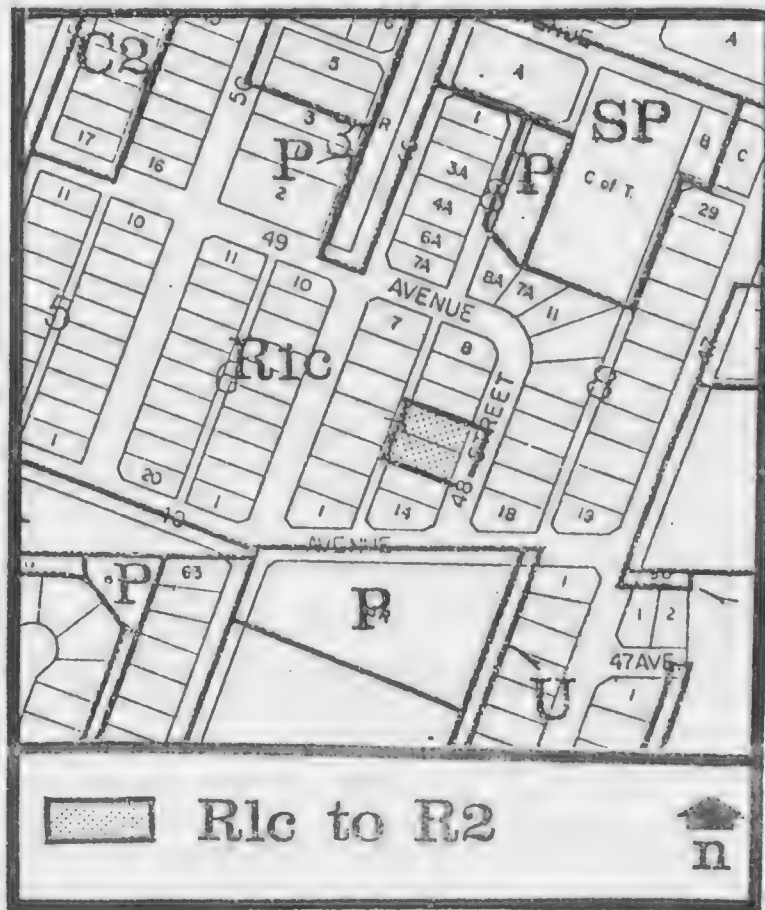

NOTICE OF PUBLIC HEARING

The Council of the Village of Gibbons having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Village of Gibbons by zoning, will hold a public hearing.

The purpose of this Bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning Bylaw of the Village of Gibbons be amended by zoning:

Lots 11 and 12, Block 7, Plan 828 R.S.
Village of Gibbons From R1C to R2

The proposed Bylaw may be examined between the hours of 9:00 a.m. and 5:30 p.m. of the office of the Secretary-Treasurer of the Village of Gibbons.

The Public Hearing, if necessary, will be held in the Village office on the 23rd day of June, 1975 at 8:30 p.m.

Written objections to the proposed Bylaw will be received by the Secretary-Treasurer at her office until 12:00 p.m. on the 23rd day of June, 1975. Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

Maisie Metrunec,
Secretary-Treasurer.

Calahoo WI signs contract on history book

By Liz McLeod

The May 27 meeting of Calahoo Women's Institute was held in Mrs. Peter McLeod's home with all 17 members present and the main business of the meeting was the History of Calahoo book. After some discussion the contract was signed to get the wheels in motion on the WI project. Gathering material has been going on for some years and in order to preserve the history of Calahoo and its people, the WI wishes to get the material into a hard covered book for everyone to buy and read.

To this end we are ur-

gently requesting that anyone desiring a copy send a deposit of \$10 per book to Mrs. Mary Dalheim, Box 262, Onoway, Alberta as soon as possible.

After group discussion it was decided to accept memorial donations as contributions in lieu of flowers and all names would be entered into the history on a page as "A Book of Memories."

Also any who lives or have lived in Calahoo is asked to please send us their stories, as the WI wouldn't want to leave anyone out.

A letter was received from Nellie Whitson, asking which day Calahoo WI would like to

demonstrate at the Edmonton Exhibition. It was decided Wednesday, July 23, 1 to 4 p.m. would be most appropriate.

FRIENDSHIP QUILT

The Friendship Quilt is another project in the making and Mrs. John Thatcher brought the material and Mrs. John Carty volunteered to cut out the squares. Anyone wishing to have their name on this quilt may do so by forwarding \$1 along with their request to Mrs. Mary Dalheim, Onoway, Alberta. After the quilt is completed, all the names will be put into a hat with one lucky winner to receive the quilt.

The Flower and Vegetable show will be held August 20, and Mrs. Myles Kerr is heading that department. The committee will be meeting to make an entry list with some new additions this year.

Elsie and Cecile Berry, Mary Dalheim, Stephanie Shenfield and Liz McLeod, attended Winterburn's 60th anniversary May 14 and reported on the happy evening.

A letter from Prov. Pres., Mrs. Ethel Morrisroe described Calgary WI's Centennial spoons, with a Madonna and child on the handle, that may be purchased now and any WI group can sell them.

A letter from John Melicher, director of Youth and Rec. for Goldeye Youth Camp, listed the dates for

summer camps, for members with children able to attend.

A letter from the Calahoo Ag. Society Secretary Mrs. R. Finnigan thanked the WI for the donation of cutlery to the hall kitchen.

Sturgeon Recreation wrote to ask if the WI want to have a stall at Rec. Fest 75, this year at Namao on June 7 and 8.

A pretty afghan, 50" x 60" was donated and made by Addie Thatcher for raffling along with a second prize, a

cushion made with broomstick lace. Funds will help pay for the printing of the history book and tickets are available now from WI members.

Roll call featured a piece of handicraft made this spring and items were certainly eye catching, such as a 1/4 vest in broomstick lace, a bathroom set and a fortrel quilt in fan design. An apron with intricate cross-stitch design was a winner plus the doilies and afghans to name a few. Elsie

Berry won the door prize brought by Aline Roddick.

During lunch hour members sang happy birthday to Isabel Wheatley and Mary Dalheim.

Members please note the June meeting is moved ahead to accommodate some members, so we will meet in Mrs. J. Thatcher's home on June 19 at 8:30 p.m., where the Roll Call is "bring a friend."

Visitors are always welcome.

MD negotiating for gravel supplies

The MD of Sturgeon is making sure that gravel supplies will be plentiful for the next while.

A spokesman for the MD said that 75,000 tons was needed and that 60,000 of this would come from a 141,000 ton deposit near Villeneuve.

LILY LAKE

There'll be a meeting of ratepayers in the MD office Morinville, July 3 at 7:30 p.m. with Walter Jerram in the chair. Subject of the meeting will be the Lily Lake Drainage Project.

ALFALFA PLANT

MD Councillor Walter Van de Walle said that a test firing of the Legal Alfalfa plant is expected in the near future. A specific date was not given.

MD OPTIMISTIC ON WATER SUPPLY

A letter from the Canadian Armed Forces read out at the executive and development of the MD May 29 informed the MD that there is a good possibility they will get about an extra 20,000 gallons of water into the hamlet of Namao following developments at the air base.

Request to relax off-site charges

On the strength of an application for subdivision which no longer existed, an MD resident asked the MD of Sturgeon to relax its off-site charges May 29.

Appearing before the regular executive and development meeting of the MD, Mr. J. McDonnell pointed out to the council that his original application for subdivision had been made in 1966, before the time of the \$500 off-site levy. So he asked council to waive the levy and start processing the subdivision application over again.

However, an official of the Edmonton Regional Planning Commission at the meeting, Don de Grandis, made it quite clear that the original application was null and void; every seven years the ERPC burns its files to make room for the next batch.

Réve of the MD Bill Flynn

challenged the appellant asking if Mr. McDonnell was in favour of the off-site charge. He replied that he wasn't adding that "we started it (the application for subdivision) before this (the levy) and we shouldn't have to pay the off-site fee."

When Mr. McDonnell left the meeting, the MD council tackled the matter, Councillor Lawrence Kluthe leading off by saying, "In this situation you have to stretch

the imagination to consider an eight year old application recent." In any event pointed out Mr. Kluthe council could only give consideration for a relaxation of the off-site charge if a application for subdivision was before it; which wasn't.

The MD will send a letter to the appellant stating that it cannot consider the relaxation unless the application submitted again.

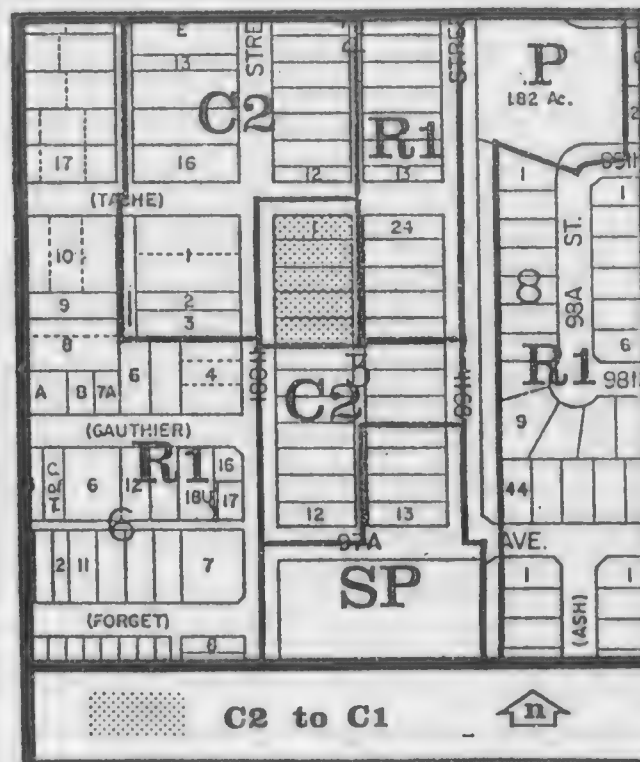

NOTICE OF PUBLIC HEARING

The Council of the Town of Morinville having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing.

The purpose of this Bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning Bylaw of the Town of Morinville be amended by zoning:

Lots 1, 2, 3, 4, 5, Block 3 Plan V111 A from Commercial C2 to Commercial C1.

The proposed Bylaw may be examined between the hours of 9:00 a.m. and 5:00 p.m. at the office of the Municipal Administrator of the Town of Morinville.

The Public Hearing, if necessary, will be held in the Town office on the 24th day of June 1975 at 8:00 p.m.

Written objections to the proposed Bylaw will be received by the Municipal Administrator at his office until 5:00 p.m. on the 24th day of June, 1975. Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

Paul E. Brochu, Municipal Administrator

Sturgeon Regional Recreation Report

This is the weekend! Rec Fest '75 begins at Namao

Namao news

By Norma Crozier

Rural Life Sunday for the congregations of Namao, Bon Accord and Patricia United Churches will be held in the Namao Community Hall on Sunday, June 15 at 11 a.m. This will be a celebration of the 50th anniversary of the United Church. The offering at the service will be for the 50th anniversary fund for services to children overseas. Everyone is invited to attend and stay for lunch following the service, please bring your own culley.

Cemetery Day has been set for June 16 at 9 a.m.

The June meeting of Namao U.C.W. will be held in the church on Wednesday, June 11 at 1:30 p.m., hosted by Mrs. Dorothy Stanton.

Remember Sturgeon Rec Fest at Namao June 7 and 8. Various activities both days.

Bunnies at root of dismissed appeal

An MD resident lost an appeal against the MD of Sturgeon May 29 which could have given him a second residence on a 12 acre plot.

Mr. L. Rosenberger was hoping that by having the second residence approved he would have had help to hand to look after a proposed rabbit farm on the property. However it looks as though the rabbits will have to get their carrots elsewhere for the MD decided that there wasn't enough evidence or need for them to issue the necessary permit.

The lost appeal might lead the MD to expand an agriculture bylaw which was the main reason why the development officer had refused a development permit - for the bylaw does not permit more than five animals on a 12 acre plot in its present form.

MD development officer Gary Brownlee said that he used the bylaw as it stood for administrative purposes; he had no choice but to act the way he did.

Councillor Lawrence Kluthe said he thought that such a bylaw was pretty asinine in the context of small animals like rabbits and as Reeve of the MD Bill Flynn jokingly pointed out, "You'd get a few rabbits going in 12 months."

The nearest Mr. Rosenberger got to having his wish was when Mr. Kluthe suggested that a 12 month temporary permit be given to the appellant which might establish the need for a second residence, i.e., if the rabbits really got to work, if the need for a second residence was not shown in that period then it would be removed.

this Saturday. There is something for the whole family so come on out! NAMAO is situated on HIGHWAY #28 about eight miles north of Edmonton.

SCHEDULE OF EVENTS

SATURDAY, JUNE 7 - Gymkhana - gymkhana grounds - events begin at 12 noon; Handicraft art displays and demonstrations - Namao School Gym, 2 - 6 p.m.; Special presentations - local talent groups - Namao School Gym, 2:30 - 5:30 p.m.; Feature length film presentations - East wing, Namao School - 2 p.m. and 4 p.m.; Namao 60 Plus Club will host bridge, whist, crib, shuffleboard in Hall. Special film presentation on senior citizens activities - East Wing Namao School, 2 - 6 p.m.; Fitness Awareness displays - Department of Recreation Parks and Wildlife; Family Wiener Roast - 6:30 p.m.; Wieners and buns on sale.

Bring your own sticks.

SUNDAY, JUNE 8 - Horse Show - 8 a.m.; Gymkhana Grounds; Klondike Mounted Square Dancers - 1 p.m.; Gymkhana grounds; Handicraft/Art displays and demonstrations - Namao School Gym, 2:30 - 5:30 p.m.; Special presentations of local talent, 2:30 - 5:30 p.m.; Feature length films, 2 p.m. and 4 p.m.; Namao 60 Plus Club will host bridge, whist, crib, shuffleboard in Hall. Food booths will be located

in Hub, Hall and Gymkhana grounds. 4H Group members available to look after young children.

First Aid station with qualified St. John's Ambulance personnel in attendance.

"Everybody's going to Rec Fest '75." See you there!!!

PLAYGROUNDS AND CAMPING

Sturgeon Regional Recreation is currently taking

applications for camp and playground leaders. Anyone interested should contact the Sturgeon Regional Recreation offices 9620 - 104 Street Morinville or telephone 939-4317. Volunteers are also required for the playgrounds. A training session will be held from June 23 to June 27 in Morinville for leaders and volunteers. Overnight accommodation is available for anyone who is not able to travel back and forth to their homes during the session.

Assessment on water covered land lowered

The MD of Sturgeon dropped its assessment on water covered land in the Manawan Drainage area to \$4 an acre last week.

The decision was taken during the court of revision held before the regular executive and development meeting of the MD May 29.

Assessor Peter Macyk pointed out that some of the land in question had been earmarked for purchase by the provincial government and that if it had water on it, it should be written off, "but how if it has \$175 value?"

Reeve of the MD Bill Flynn said that he wasn't frightened to rule on the matter. Secretary Treasurer of the MD Alphonse Nobert thought that this matter would make a good case for the assessment appeal board.

MD Councillor Glenn Berry said that not everybody was asking the \$175 for land which was under water.

Councillor Walter Jerram thought that the land should be assessed the way it was and it was this statement which swung the council's vote in lowering the assessment.

Earlier council had mulled over the tricky subject of whether taxing land under water would force land owners into selling it anyhow and the worry was also expressed that if the assessment was dropped for some, how could one justify it to others?

Councillor Clay Crozier felt that no good purpose would be served by taxing the inundated land.

If you need a little help turn to us.

Stanley the stereo buff built his sound system all by himself. Well, almost. He did have a little help - from the Yellow Pages. Mind you, that little help went a long way. What about your pet project? If you need parts, service, or some good sound advice, hurry to the Help Book.

Fastest way to find what you're looking for.

LEGAL LOCALS

By Lucienne Montpetit
The retired people of Legal are invited to go on a trip to Montreal and Quebec. The group will leave on July 16 to return on July 26. The maximum is 30 persons for the lovely trip.
If you are interested

contact Mrs. Dick Hunting or Marjolaine Chamberland immediately.
Tous les citoyens retraités de Legal sont invités de prendre l'occasion de voyager à la belle province.
Nous partons le 16 - 26 juillet pour Montréal et

Quebec. Si ce voyage vous intéresse n'hésitez pas de contacter Mme Hunting ou Marjolaine Chamberland aussitôt que possible. N'oubliez pas qu'il n'y a que 30 personnes qui pourront prendre avantage de ce voyage.

Congratulations and best wishes for a long and happy life to Mr. and Mrs. Jim Montpetit. Jim was united by the sacrament of marriage to Anne Kallal on May 31 in Our Lady of Victory Church in Vimy. Anne is the daughter of Mr. and Mrs. Joseph Kallal from Vimy and Jim is the son of Mr. and Mrs. Henri Montpetit of Legal.

Sincere condolences to Mr. Morissette upon the loss of his brother Philippe who passed away in Prince George last week.

CLUB 60 ROSES ENJOY PARTY

Members of the Club 60 Roses had an enjoyable party on May 28 to celebrate with the members whose birthday was in May. Some 50 members present played cards for awhile, then Mrs. Mary Brode showed slides taken when she and her husband Dave travelled to Fiji, Saigon, Hong Kong, Australia, New Zealand and part of China. They also had a very interesting album on their travels.

The members wish to thank most sincerely Mary and Dave for their fine entertainment, and many thanks to the ladies who prepared the delicious lunch and lovely birthday cake. Happy birthday greetings went to Mrs. Elizabeth Houle, Mrs. Theona Larose, Mrs. Claire-Yvonne Kean, Mrs. Georgette Berube, Mrs. Lillie Parent, Mrs. Anna Pelletier, Mr. Leo Maurier, Mr. Paul Clouthier, Mr. Ladis Messier, Mr. Wilfred Lecavalier, Mr. Paul Berube, Mr. Eugene Theroux, Mr. Paul Montpetit, Mr. Lucien Bergevin, Mr. Wilfred Demers, Mr. Aime Casavant, Mr. Henri Gibello.

27, 1929.

The building had just been erected when he was employed as helper under the management of Leo Morency. He worked for 13 years before being called in the army 1942.

Having his eyes on a pretty miss living in a neighboring village south of Legal, Wilfred decided to get married before leaving. He exchanged vows with Alexina Desmarais in Morinville, Feb. 9, 1942.

In March he left for Vancouver leaving his bride behind. It wasn't long until he found a place for her to live and they spent 2½ years at the coast.

They returned in June 1945 to return to his old job but with a promotion as manager. Business augmenting he couldn't handle everything alone, and in 1954 he hired his wife as bookkeeper and she worked with him till they both retired on May 15. Mr. and Mrs. Lecavalier have one child, a son Louis who is employed by AGT.

Wilfred has been active in community affairs, he has been chairman of the Legal Curling Club for a number of years and served as board member on the Credit Union. He is also an active K of C and is still on the Legal and District Community Hall Committee. They are both members of the Club 60 Roses.

He says now that he has more free time he'll be able to give his favorite hobby, woodwork.

Mr. and Mrs. Lecavalier would like to express their gratitude to all the patrons of Revelstoke Company and commented that it has been a wonderful experience to serve such a fine group of people.

A special welcome is extended to Mr. Raymond Pelletier, who hails from Vimy, and we hope he will enjoy working at Revelstoke and living in our community.

Shower honours Doris Auger

By Lucienne Montpetit
Some 75 friends and relatives gathered at the Community Hall Sunday afternoon for a miscellaneous shower in honour of Doris Auger. The hall was beautifully decorated in a spring theme. Seated at the head table was the guest of honour, her mother Mrs. Real Auger, the future groom's mother Mrs. Julian Bauwens and Mrs. Margaret Bauwens grandmother.

Mrs. Georgette Cyr won a lovely yellow potted plant for the door prize.

Following the opening of the gifts Doris thanked

everyone for coming and for the lovely and useful gifts. Special thanks were extended to her bridesmaids Rita Laframboise, Shirley Bauwens and Doreen LaBerge who hosted the shower. The bride-to-be, present, was hostesses with a dainty pink long stem rose as a token of appreciation.

To everyone's delight, the afternoon wound up with delicious strawberry shortcake, and a variety of squares and cookies.

Doris will exchange marriage vows with George Bauwens at St. Emile's Church on June 7.

STURGEON REGIONAL RECREATION SUMMER JOB OPPORTUNITIES

Applications are being accepted for playground and camp personnel. Playgrounds are operated in the major centres of Sturgeon and one travelling playground which services the small centres. The Regional Camp will be located in CARDIFF. Applicants should be 16 years of age and older.

Interested applicants should contact the offices of STURGEON REGIONAL RECREATION AT 9820 - 104 STREET, MORINVILLE OR PHONE 939-4317.

Transferring wealth not easy

By Stan Schellenberger
MP Wetaakiwin Riding.
Some interesting results transpired from the recent Commonwealth Conference in Kingston, Jamaica, not the least of which was the establishment of a 10-man committee to propose practical measures to transfer wealth from the richer to the poorer nations. Although several issues were discussed,

including the potentially imminent establishment of majority black rule in Rhodesia, there can be little doubt that the new economic order was the primary subject of concern. There is no question that the Conference's statement of principle that the world's wealth should be shared more equitably was a major step forward from the develop-

ments of recent past Commonwealth gatherings. However, unless practical solutions can be found for the transfer of wealth, the statement of principle will prove merely rhetoric - void and simply meaningless.

The establishment of the committee of experts who will meet in Canada this summer, under the chairmanship of Alastair McIntyre

of Grenada, seems an advance beyond the statement of principle but in fact, it will only really be an advance if it achieves something.

THREE PLANS DISCUSSED

Three possible proposals were aired at the Conference. The first, strongly advocated by Britain, is a multiple commodities agreement that would guarantee less developed nations higher prices for their commodities. However this approach has some serious shortcomings. Many of the poorest nations, like India, are major importers of commodities and these countries therefore would suffer from any agreement that ensured high commodity prices.

A second major thrust at the Conference, advanced primarily by Guyana, is the suggestion that producer organizations could be the means of transferring wealth from developed to less developed countries. Theoretically, the bauxite producing nations, for example, could make North Americans pay more for aluminum products, thereby increasing the revenues of the producers, which generally speaking, are poorer countries. But Canada is one of the world's top exporters of many commodities and therefore any producer association, or cartel, would benefit Canada and maybe at the expense of less developed nations. One must consider too, that cartels might possibly force industrialized nations to seek a substitute for the particular high-priced imported commodity.

The institution of three way proposals is another proposal that emanated from the Commonwealth Conference. A rich nation would provide the financing and a second nation the technology

to establish developments of economic consequence in poor countries.

The committee may well be able to come up with an effective method of transferring wealth but will such method meet with general acceptance and practical application? It is almost inconceivable that any country will share its wealth at the expense of sacrificing its own growth for social objectives.

NOT A SIMPLE TASK

The end result of transferring wealth must also be closely forecast and analyzed.

The task that the committee of experts will undertake is by no means a simple one. It will present an interim report in Georgetown, Guyana, at the Commonwealth finance ministers' meeting late in August. The progress will be well worth watching, it could be that given the General Agreement on Tariffs and Trade negotiations presently being conducted in Geneva and a possible full United Nations commitment to less-developed nations, the Kingston statement of principle may fade away to nothingness.

To The Editor

Dogs frighten children

"...what do you say to your children when they come home from school, or from playing outside, and say, 'I got bit by this big dog a little,' or 'that one nearly bit my leg, but I hurried

home on my bike.' Another child is afraid to go to school because of more big dogs around, etc. etc.

It's not only children that are scared, so are concerned mothers who have little tykes

outside. Our gardens are already getting another cultivating job by the little dogs that are still running loose. The trees and shrubs that we try to grow are also getting extra watering.

Our mayor has done his share by specifying the rules applying to dogs in our community. I think it is only fair that animal lovers abide by them. Please let's show our youngsters we care for them and our community. Enough said?

Mary Kool,
Meriville.

Report From Bon Accord

By Sadie Allen
There was a very good turnout to the playschool and Tiny Tot meeting held on May 22. Helen McMillan and Ann Maxfield from Namoo spoke on playschool and Eva Coulombe spoke on Mother's Day Out. Jean Smith from Regional Rec. was also present. The Tiny Tot Association will be sponsoring a dance on June 27 with music by the Clyde Satellites, refreshments from 8 p.m. with dancing from 9 - 1 a.m. Tickets are \$7 per couple - advance tickets only. These may be obtained from Sandy McDougall, 921-3511 or Doreen Moore, 921-3697.

Congratulations to Melvin and Frances Kennett on the birth of their son, D'Arcy Robert, 8 lbs. 9 1/2 ozs. on

May 24 and to Lynda and Don Bland on the birth of their daughter Rachel Dawn, 7 lbs. 6 ozs. on May 31 -- a sister for Bill and Nancy and Tom and a birthday present for great-Aunt, Thale Fishbach.

Gail's Girls chalked up two wins over the past week, downing the Flames 9-5 and Calwood 4-3. The girls will play the Golden Saints on June 5 at 8:30 p.m., the Flames on June 9, also at 8:30 and on June 10 will meet Girl Friday at 7 p.m. All games are played on #2 diamond, Clarke Stadium.

In the North-Central Baseball League, Bon Accord downed Legal by 25-8 on May 28. The boys will play at

Linaria on June 10 with Vimy here for June 12.

Midget boys chalked up wins over Horse Hills in games played on May 28 and June 1.

The bingo jackpot is still on the go and is now climbing at \$10 per number -- on June 9 - \$210 in 61. As soon as the jackpot has been won, bingo will recess for the summer to resume again in September. The bonanza was shared by Edie Rains and Linda Ross and the jackpot consolation was won by Janet Spencer.

Cadet inspection will be held on June 10 at the arena. The public is cordially invited to attend.

Senior citizens enjoyed a delicious Pot Luck supper on May 27. We were happy to have Neil Parker and Marjolin Chamberland as guests for supper and enjoyed a show of the slides taken on various excursions by senior clubs. A trip is planned for June 22-27 at a cost of \$110 per person. This does not include meals. The tour will be by bus and will take in a visit to the Western Development Museum in Saskatoon; Gardiner Dam, Moose Jaw; Wright's Historical Museum, Swift Current, a visit to Cypress Hills; the Alberta Glass Factory, Medicine Hat; the Badlands at Drumheller and back to Morinville. Tourists can look forward to entertainment by senior groups along the way.

Anyone interested in the trip is asked to contact Marjolin at the Sturgeon Regional Rec. office before June 19. Bon Accord seniors will meet again on June 10 at 2 p.m.

It should be noted by everyone in the Bon Accord area that the open fields around the town are not for recreation. There are crops growing on these fields, a family's livelihood. Please use some consideration and do not use them as automobile or motorcycle cross country race courses, dog runs, or short-cuts to or from town.

Classes 9 and 10 in the upcoming Dairy Goat Show on June 20 and 21 will be devoted to young competitors with divisions for novice handlers, children up to 8, 8-12 and young adults 13 - 18. Trophies for the milking competition at the show have been donated for first place by Morinville Auction Mart; second by Arnold Reichle Carpet Installations Ltd., third by Gerry's Mechanic, Legal; Bland Brothers Dairy.

Bon Accord for the under competition and the rosettes to third place in the stall competition by Bon Accord Sales and Service. Further contributions will appear in next week's news. There are still tickets available on the beef raffle, the draw for which will be made on June 21. Tickets may be obtained from members of the Ag. Society.

A tentative date for work on Roseglan Park has been set for June 7, depending on whether shrubs and trees donated by the Oliver tree farm have arrived. Keep the date in mind.

Midget girls are having a most successful season with only one loss chalked up so far. The girls are sporting new uniforms, blue jackets with white piping, white pin-striped pants and gold accessories, courtesy of their coach Mr. Keith Whitson on behalf of Bon Accord Village Superette. The girls will be playing their final league game here on June 10, a good opportunity to see the new uniforms and a good ball game. The team is entered in provincials and a number of exhibition games are being set up after the regular season to keep the girls on their toes.

HELP WANTED

Wanted by the Village of Bon Accord, person to assist maintenance man. Duties to be shared with Recreation Board. Permanent if satisfactory.

Please provide resume of experience and salary expected. Address applications to - SECRETARY-TREASURER, VILLAGE OF BON ACCORD BY JUNE 14, 1975.

OFFER EXPIRES
JUNE 30, 1975

ATTENTION:

Alberta Farmers
Under the Small Farm Development Program
You May Qualify For...

\$\$\$ A Grant up to \$3,500 - if you want to sell your farm \$\$\$
OR

\$\$\$ a loan with down payment as low as \$200 - to buy land under the program \$\$\$
To see if you qualify, you must apply to the Farm Credit Corporation (FCC) or your district agriculturist *before* you buy or sell a farm.

If you're selling your farm for not more than \$40,000, visit your FCC office to see whether you qualify for a grant.

If you wish to expand your small farm by buying another being sold under the program, find out if you're eligible for a low down payment loan.

COUNSELLING SERVICES AVAILABLE

If you're thinking about expanding, moving out of agriculture, or retiring, contact your district agriculturist about advisory services.

For locations of AGRICULTURAL REPRESENTATIVE offices, write:
EXTENSION DIVISION,
ALBERTA AGRICULTURE,
9718 - 107 ST.,
AGRICULTURE BUILDING,
EDMONTON 6, ALBERTA

For locations of FCC CREDIT ADVISORS, write:
FARM CREDIT CORPORATION,
400 CHANCERY HALL,
NO. 3,
SIR WINSTON CHURCHILL SQUARE,
EDMONTON, ALBERTA T5J 2C5

Or consult your telephone directory.

DON'T RISK LOSING YOUR ELIGIBILITY.

Before buying or selling, be sure to ask about the Small Farm Development Program. It's a federal-provincial effort, working on behalf of the small farmer.

Feil - Fox Wedding

St. Albert Evangelical Lutheran Church was the scene of a wedding on Saturday, May 17, uniting Divola Fox, daughter of Mr. and Mrs. Howard Fulcher of Edmonton, and Richard Feil, son of Mr. and Mrs. Elmer Feil of St. Albert, in marriage. Pastor R. O. Olson officiated.

The bride, entering the church on the arm of her father, looked lovely in a gown of pale blue flocked nylon and white floppy brimmed hat. She carried a bouquet of white daisies and ivy.

Mrs. Linda Smith, sister of the bride, acted as matron of honour. She wore a floor length gown of yellow polyester and carried a bouquet of yellow daisies.

Attending the groom as best man was Mr. Garry Hall, brother-in-law of the groom.

Mr. Ronald Feil and Mr. Gordon Feil, brothers of the groom, performed the ushering duties.

During the service Mrs. Judy Bergstrom, cousin of the groom sang "The Wedding Prayer" and later at the reception sang "Somewhere My Love." She was accompanied by Mrs. Esther Olson.

A reception was held at Westmount Community Hall Miss Jane Schultz, cousin of the groom, was in charge of the guest book. Acting as

master of ceremonies was Mr. John Bergstrom, friend of bride and groom. Mr. Josey, uncle of the bride proposed the toast to the bride with the groom responding.

Open house and dance followed the reception after which the newlyweds left on a honeymoon to B.C. and the States. They will be making their home in Edmonton where both are employed.

LOTS OF TIME

The housewife was still sitting at the breakfast table, having her 8th cup of coffee and trying to decide whether to get dressed, wash the dishes or maybe look at television, when she heard the garbage man outside. She

dashed through the back door, her hair in curlers, face unmade and her wrinkled old bathrobe askew.

"Am I too late for the garbage?" she asked.

The garbage man took one look and said, "No ma'am, jump right in."

Bon Accord council report

All members of council were present at the May 20 meeting which was adjourned to the 28th to complete the business at hand.

From the correspondence: In reply to council's application for a Liquor Store, the

Alberta Liquor Control Board advised that there are now 29 applications on their list. Bon Accord's request, however, will be kept on their 'active file.'

The superintendent of Treasury Branches also re-

plied to council's application for a full branch, stating their expansion program had been finalized to 1978 and that 1979 would be the earliest possible date that could be considered.

Bylaw #76, a bylaw of the Village of Bon Accord to provide for the establishment of a Disaster Service Agency was given three readings and finally passed on May 20. Councillors Mansfield and Murphy have since been appointed to serve on this committee.

Mrs. Janice MacDonald (one of five applicants) was appointed to take the 1975 census between June 1 and 15. In addition to the population count, council has asked that the following information be obtained:

1. Names of all members in each household.
2. Ages of all children - those attending school and pre-school.
3. Names of all senior citizens - 60 years and over.

A committee has been appointed to arrange for the opening of the new Administration Building (date not set), consisting of Councillors Mansfield, Murphy and Jean Chubb, secretary. Mayor Jenkins and the

office staff - Jean Chubb and Doreen Hewitt attended the Alberta Urban Municipalities Zone meeting at Whitecourt, May 22. The secretary is planning to attend the Municipal Refresher Course at Banff, June 5, 6 and 7, 1975.

Mr. H. Deimer, planner, Edmonton Reg. Planning Commission, recently delivered a supply of copies of the Zoning Bylaw. These are for sale to the public - \$2.50 each.

Many complaints have come into the office recently regarding barking dogs. Dog owners are hereby requested to make every effort to keep their dog(s) quiet. However, if this nuisance continues, prohibitive action will have to be taken.

FINE CLEAN-UP

Council would like to take this opportunity to express a hearty vote of thanks to all Youth Groups, their leaders and other individuals who took part in the Village clean-up, Saturday, May 31. Plastic garbage bags obtained free of charge through Outdoors Unlittered were distributed to the boys and girls to help with the collection of litter. Groups

were then assigned to certain areas of the Village by Scout Leader Tom Himm who co-ordinated the work. It is reported that the regular garbage pickup truck was almost filled and the village is almost litter-free. Lets all try to keep it that way!

Council were recently notified that the Dept. of the Environment will assist communities in removal of abandoned vehicles. Any resident interested in this service is asked to contact the Village office for more details. A meeting has been scheduled for Monday, June 2, 1975 when council and the local Recreation Board will

meet with Mr. Laurent Coulombe, Sturgeon Regional Recreation Superintendent to discuss a proposed new Regional Recreation Agreement and Major Provincial Recreation Grants.
